Experience a Trigger Pull That's Crisper and Cleaner Than Ever Before

Though there are many Glock trigger upgrades available today, every other company came after Zev Technologies, the first company to develop aftermarket triggers for these popular guns. Now, Zev's engineers are maintaining the company's position as an industry leader with the introduction of Zev Technologies Glock PRO Flat Face Drop-In Trigger Kit. After spending thousands of hours and hundreds of thousands of rounds in development time, the Zev PRO Flat Face Drop-In Trigger Kit incorporates many cutting-edge advancements, like a proprietary trigger-bar design and a new connector, all designed to produce a trigger pull that's crisper and cleaner than ever before. Durability is also enhanced in the Zev PRO Flat Face Drop-In Trigger Kit, thanks to a trigger pad produced through a riveted production process, making it one of the hardest and most-reliable designs available today.

Attributes

- Name: [ZEV TECHNOLOGIES PRO FLAT FACE TRIGGER DROP-IN KIT GLOCK G1-3 .40 BLK/BLK](#)
- Manufacturer: [ZEV TECHNOLOGIES](#)

Safety Instruction Guide for PRO FLAT FACE TRIGGER DROPIN KIT FOR GLOCK®

Introduction

Thank you for purchasing the PRO Flat Face Trigger DropIn Kit for Glock® from ZEV Technologies. This guide provides essential safety instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide thoroughly before installation and use.

General Safety Guidelines

- Ensure that the product is used solely for its intended purpose.
- Always handle firearms with care and in accordance with local laws and regulations.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe products or accidents to local authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Before installation, ensure the firearm is unloaded and pointed in a safe direction.
- Only use the trigger kit with compatible Glock models (Glock G13, .40).
- Do not modify the trigger kit or attempt to use it in any way not specified by the manufacturer.
- Ensure proper installation to avoid malfunction or safety hazards.
- Avoid using the firearm in wet or humid conditions to prevent corrosion of the trigger components.

Instructions for Installation and Usage

1. Preparation:

- Gather tools required for installation, including a punch and hammer.
- Ensure you are in a welllit and clean workspace.

2. Installation Steps:

- Ensure the firearm is unloaded and the magazine is removed.
- Remove the slide from the frame of the Glock.
- Carefully remove the factory trigger assembly by pushing out the trigger pin.
- Install the ZEV PRO Flat Face Trigger by aligning it with the trigger pin hole and pressing it into place.
- Ensure the new connector is properly seated in the trigger assembly.
- Reassemble the firearm by replacing the slide and ensuring all components are secure.

3. Testing:

- After installation, perform a function check to ensure the trigger operates correctly.
- Dry fire the firearm in a safe environment to familiarize yourself with the new trigger pull.

4. Usage:

- Always follow safe firearm handling practices.
- Regularly clean and maintain the trigger kit to ensure optimal performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and firearm components.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact information available on the product packaging or their official website.

By following these guidelines, you can ensure a safe and enjoyable experience with your ZEV Technologies PRO Flat Face Trigger DropIn Kit for Glock®. Thank you for your attention to safety.
