## Experience a Trigger Pull That's Crisper and Cleaner Than Ever Before

Though there are many Glock trigger upgrades available today, every other company came after Zev Technologies, the first company to develop aftermarket triggers for these popular guns. Now, Zev's engineers are maintaining the company's position as an industry leader with the introduction of Zev Technologies Glock PRO Flat Face Drop-In Trigger Kit. After spending thousands of hours and hundreds of thousands of rounds in development time, the Zev PRO Flat Face Drop-In Trigger Kit incorporates many cutting-edge advancements, like a proprietary trigger-bar design and a new connector, all designed to produce a trigger pull that's crisper and cleaner than ever before. Durability is also enhanced in the Zev PRO Flat Face Drop-In Trigger Kit, thanks to a trigger pad produced through a riveted production process, making it one of the hardest and most-reliable designs available today.

## Attributes

- Name: [PRO FLAT FACE TRIGGER DROP-IN KIT GLOCK G1-3 9MM BLK/BLK](#)
- Manufacturer: [ZEV TECHNOLOGIES](#)
- Product no.: 100033401

# Safety Instruction Guide for PRO FLAT FACE TRIGGER DROPPIN KIT FOR GLOCK®

## Introduction

Thank you for choosing the PRO Flat Face Trigger Dropin Kit for your Glock. This guide provides important safety information and instructions for the proper use and installation of the product. By following these guidelines, you can ensure safe and effective use of your trigger kit.

## General Safety Guidelines

- Ensure that the product is compatible with your Glock model (29, 17, 17L, 34, 26, Gen 3, Gen 2, Gen 1).
- Always handle firearms and firearm components with care.
- Keep the trigger kit out of reach of children and unauthorized users.
- Regularly inspect the trigger kit for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearms and firearm modifications.
- Report any unsafe products or accidents to local authorities.

## Specific Safety Precautions for Use

- Do not use the trigger kit if you are unfamiliar with firearm safety practices.
- Ensure that the firearm is unloaded before installing or modifying any components.
- Avoid using the trigger kit in wet or damp conditions to prevent corrosion.
- Be aware that modifications may affect the warranty of your firearm.
- Always wear appropriate safety gear, including eye protection, when handling firearms.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation

- Ensure your Glock is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a punch tool and a hammer.

#### 2. Disassembly of the Firearm

- Remove the slide from the frame of your Glock.
- Take out the existing trigger mechanism following the manufacturer's guidelines.

#### 3. Installing the PRO Flat Face Trigger Kit

- Carefully insert the new trigger bar into the trigger housing.
- Attach the connector to the trigger bar as per the provided instructions.
- Reassemble the firearm by reversing the disassembly steps.

#### 4. Testing the Trigger

- Once installed, perform a function check to ensure the trigger operates correctly.
- Ensure the trigger pull is smooth and consistent before using the firearm.

### Usage Instructions

- Always confirm that the firearm is in a safe condition before using it.

- Familiarize yourself with the trigger pull characteristics after installation.
- Practice safe handling and shooting practices at all times.

## **Disposal Instructions**

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer usable, consider recycling options where available.

## **Contact Information for Further Support**

For further assistance, please refer to the manufacturer's website or customer service for support related to the PRO Flat Face Trigger DropIn Kit for Glock.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your new trigger kit. Thank you for prioritizing safety and responsible firearm use.
