## Experience a Trigger Pull That's Crisper and Cleaner Than Ever Before

Though there are many Glock trigger upgrades available today, every other company came after Zev Technologies, the first company to develop aftermarket triggers for these popular guns. Now, Zev's engineers are maintaining the company's position as an industry leader with the introduction of Zev Technologies Glock PRO Flat Face Drop-In Trigger Kit. After spending thousands of hours and hundreds of thousands of rounds in development time, the Zev PRO Flat Face Drop-In Trigger Kit incorporates many cutting-edge advancements, like a proprietary trigger-bar design and a new connector, all designed to produce a trigger pull that's crisper and cleaner than ever before. Durability is also enhanced in the Zev PRO Flat Face Drop-In Trigger Kit, thanks to a trigger pad produced through a riveted production process, making it one of the hardest and most-reliable designs available today.

## Attributes

- Name: [PRO FLAT FACE TRIGGER DROP-IN KIT GLOCK G4 .40 BLK/RED](#)
- Manufacturer: [ZEV TECHNOLOGIES](#)
- Product no.: 100033404

# Safety Instruction Guide for PRO FLAT FACE TRIGGER DROPIN KIT FOR GLOCK®

## Introduction

Thank you for choosing the PRO Flat Face Trigger DropIn Kit for your Glock. This guide provides essential safety instructions and guidelines to ensure the safe installation and use of this product. Please read this manual carefully before use to maximize safety and performance.

## General Safety Guidelines

- Ensure that the product is compatible with your Glock model (Gen 4).
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product for any damage or defects before installation and use.
- Report any unsafe products or incidents to the relevant authorities.
- Stay updated on recall notices via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not modify the trigger kit beyond the provided specifications.
- Always ensure the firearm is unloaded before installation.
- Wear appropriate safety gear, such as eye protection, during installation.
- Do not use the trigger kit if you experience any discomfort or difficulty during operation.
- Ensure that the trigger kit is installed correctly to avoid malfunction.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather tools required for installation (e.g., screwdriver, punch).
- Ensure a clean and organized workspace.

### 2. Installation Steps:

- Make sure the firearm is unloaded and safe to work on.
- Remove the slide from the frame of the Glock.
- Carefully remove the existing trigger components.
- Install the new Zev PRO Flat Face DropIn Trigger Kit by following these steps:
  - Align the trigger bar and connector as per the design.
  - Firmly secure all components in place.
  - Doublecheck the installation for proper alignment.
- Reassemble the firearm and perform a function check to ensure proper operation.

### 3. Usage Instructions:

- Always treat your firearm as if it is loaded.
- Practice safe handling and storage of your firearm at all times.
- Familiarize yourself with the new trigger feel before using it in a livefire situation.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly, following local waste management guidelines.
- If the product is no longer in use, dispose of it in accordance with local regulations for electronic and mechanical waste.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the PRO Flat Face Trigger DropIn Kit for Glock, please refer to the manufacturer's contact information provided with the product. Ensure you have your product details ready for a more efficient response.

By adhering to these safety instructions and guidelines, you can ensure a safer and more enjoyable experience with your new trigger kit. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
