Experience a Trigger Pull That's Crisper and Cleaner Than Ever Before

Though there are many Glock trigger upgrades available today, every other company came after Zev Technologies, the first company to develop aftermarket triggers for these popular guns. Now, Zev's engineers are maintaining the company's position as an industry leader with the introduction of Zev Technologies Glock PRO Flat Face Drop-In Trigger Kit. After spending thousands of hours and hundreds of thousands of rounds in development time, the Zev PRO Flat Face Drop-In Trigger Kit incorporates many cutting-edge advancements, like a proprietary trigger-bar design and a new connector, all designed to produce a trigger pull that's crisper and cleaner than ever before. Durability is also enhanced in the Zev PRO Flat Face Drop-In Trigger Kit, thanks to a trigger pad produced through a riveted production process, making it one of the hardest and most-reliable designs available today.

Safety Instruction Guide for PRO Flat Face Trigger DropIn Kit for Glock®

Introduction

Thank you for choosing the PRO Flat Face Trigger DropIn Kit for your Glock® firearm. This product is designed to enhance the performance of your firearm while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm and trigger kit in a secure location, out of reach of children and unauthorized users.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when handling your firearm or performing maintenance.
- Familiarize yourself with the operation of your Glock® firearm and the specific features of the PRO Flat Face Trigger DropIn Kit.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or modifying any components.
- Do not attempt to install or modify the trigger kit if you are not familiar with firearm mechanics. Seek professional assistance if needed.
- Never use the trigger kit with any firearm that has been altered or modified in ways not approved by the manufacturer.
- Regularly inspect the trigger kit for signs of wear or damage. Replace any damaged components immediately.
- Ensure that the trigger kit is compatible with your specific Glock® model (17, 19, 34, 26, Gen 4).
- Follow all local laws and regulations regarding firearm modifications and accessories.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools (if required) for installation.

2. Installation:

- Remove the slide from your Glock® firearm.
- Follow the manufacturer's instructions included with the PRO Flat Face Trigger DropIn Kit for proper installation steps.
- Make sure that the triggerbar design and connector are correctly positioned as per the guidelines.

3. Testing:

- After installation, reassemble your firearm.
- Conduct a function check to ensure that the trigger operates smoothly and safely.
- If you notice any irregularities, disassemble the firearm and check the installation again.

4. Usage:

- Utilize the enhanced trigger for improved shooting performance.
- Always adhere to safe firearm handling practices during use.

Disposal Instructions

- Dispose of any unused or damaged components of the trigger kit in accordance with local regulations.
- Do not dispose of the trigger kit in regular household waste. Instead, consult local waste management services for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the PRO Flat Face Trigger DropIn Kit, please reach out to your local authorized dealer or the manufacturer's support team. Ensure to have your product information on hand for efficient assistance.

Thank you for prioritizing safety while enjoying your enhanced shooting experience with the PRO Flat Face Trigger DropIn Kit for Glock®.
