## Experience a Trigger Pull That's Crisper and Cleaner Than Ever Before

Though there are many Glock trigger upgrades available today, every other company came after Zev Technologies, the first company to develop aftermarket triggers for these popular guns. Now, Zev's engineers are maintaining the company's position as an industry leader with the introduction of Zev Technologies Glock PRO Flat Face Drop-In Trigger Kit. After spending thousands of hours and hundreds of thousands of rounds in development time, the Zev PRO Flat Face Drop-In Trigger Kit incorporates many cutting-edge advancements, like a proprietary trigger-bar design and a new connector, all designed to produce a trigger pull that's crisper and cleaner than ever before. Durability is also enhanced in the Zev PRO Flat Face Drop-In Trigger Kit, thanks to a trigger pad produced through a riveted production process, making it one of the hardest and most-reliable designs available today.

## Attributes

- Name: [PRO FLAT FACE TRIGGER DROP-IN KIT GLOCK G4 9MM BLK/RED](#)
- Manufacturer: [ZEV TECHNOLOGIES](#)
- Product no.: 100033406

# Safety Instruction Guide for PRO Flat Face Trigger DropIn Kit for Glock®

## Introduction

Thank you for choosing the PRO Flat Face Trigger DropIn Kit for your Glock® firearm. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of this product. Please read this manual thoroughly before use and keep it for future reference.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction when handling.
- Keep your finger off the trigger until you are ready to shoot.
- Store the trigger kit and firearm in a secure location, away from children and unauthorized users.
- Do not use the trigger kit if it appears damaged or malfunctioning.
- Follow all local laws and regulations regarding firearm modifications and upgrades.

## Specific Safety Precautions for Use

- Ensure that you are familiar with the operation of your Glock® firearm before installing the trigger kit.
- Only install the trigger kit in compatible models: Glock 17, 19, 34, 26, Gen 4.
- Use protective eyewear during installation to prevent injury from small parts.
- Avoid using excessive force during installation to prevent damage to the trigger or firearm.
- If you experience any issues during installation or operation, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your Glock® is unloaded and pointed in a safe direction.
- Gather necessary tools: a punch tool, a hammer, and a screwdriver.

### 2. Installation Steps

- Remove the slide from the frame of your Glock®.
- Using the punch tool, carefully remove the factory trigger pin.
- Take out the factory trigger assembly and set it aside.
- Insert the new PRO Flat Face Trigger into the frame.
- Align the trigger bar with the connector and ensure proper seating.
- Reinsert the trigger pin to secure the trigger assembly in place.
- Replace the slide and ensure it operates smoothly.

### 3. PostInstallation Check

- Conduct a function check to ensure the trigger operates correctly.
- Dry fire the firearm in a safe environment to confirm proper trigger pull.
- If the trigger does not function as intended, remove it and consult a qualified gunsmith.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly and in accordance with local waste disposal regulations.
- If the trigger kit is no longer in use, ensure it is disposed of in a manner that prevents unauthorized access.

## **Contact Information for Further Support**

For any questions or concerns regarding the PRO Flat Face Trigger DropIn Kit, please refer to the manufacturer's website or contact customer support for assistance.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your PRO Flat Face Trigger DropIn Kit for Glock®. Thank you for your commitment to safety and responsible firearm use.
