## The Perfect Solution for Your Glock Trigger

Glock's handguns are great, duty-ready rigs that have served across the world in professional and personal-defense roles dependably, but nobody can deny that the gun's trigger could use some attention. Zev Technologies, an industry leader in aftermarket Glock triggers, created the perfect solution in the form of its Glock PRO Flat Face Ultimate Trigger Kit. Designed after an exhausting two-year process, during which hundreds of thousands of rounds were fired, the Zev PRO Flat Face Ultimate Trigger Kit developed as the do-it-all enhancement package to make your Glock's trigger more enjoyable, more predictable and more durable than ever before. Each Zev PRO Flat Face Ultimate Trigger Kit includes the company's riveted trigger, trigger bar, connector, firing-pin safety, firing-pin safety spring, striker spring, skeletonized striker and the trigger-spring ejector housing.

# Safety Instruction Guide for the PRO Flat Face Trigger Ultimate Kit for Glock

## Introduction

Thank you for choosing the PRO Flat Face Trigger Ultimate Kit for your Glock. This guide provides essential safety instructions, usage guidelines, and important information to ensure safe and effective use of your new trigger kit. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is suitable for your specific Glock model (17, 19, 34, 26, Gen 4) before installation.
- Always handle firearms with care and follow all local laws and regulations regarding firearm safety and usage.
- Keep the trigger kit and all firearm components out of reach of children and unauthorized users.
- Regularly inspect your trigger kit for any signs of wear or damage before use.
- If you experience any malfunctions or issues, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Use only with compatible Glock models as specified.
- Do not attempt to modify or alter the trigger kit in any way.
- Ensure that the firearm is unloaded before installation or maintenance.
- Avoid using the firearm in wet or damp conditions to prevent corrosion and malfunction.
- Always wear appropriate eye protection when handling firearms.
- Do not use the firearm if you are under the influence of drugs or alcohol.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, such as a punch, hammer, and screwdriver.

### 2. Installation Steps:

- Remove the slide from the Glock.
- Disassemble the slide according to the manufacturer's instructions.
- Remove the existing trigger components from the frame.
- Install the riveted trigger and trigger bar included in the kit.
- Attach the connector, firingpin safety, firingpin safety spring, striker spring, and skeletonized striker as per the provided instructions.
- Ensure all components are securely in place.

### 3. PostInstallation Check:

- Reassemble the slide and ensure it operates smoothly.
- Perform a function check to ensure the trigger operates correctly without any binding or malfunction.
- If unsure about the installation, consult a qualified gunsmith.

### 4. Usage:

- Familiarize yourself with the new trigger's feel and response before using the firearm in a live environment.
- Practice safe handling and shooting techniques at a controlled range.

## **Disposal Instructions**

- Dispose of the trigger kit and any components in accordance with local regulations regarding electronic waste and firearm parts.
- Do not discard in regular household waste; consult local disposal guidelines for hazardous materials.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's customer support resources.

By following these guidelines and instructions, you can ensure safe and effective use of the PRO Flat Face Trigger Ultimate Kit for your Glock. Always prioritize safety and responsible firearm handling.
