## The Perfect Solution for Your Glock Trigger

Glock's handguns are great, duty-ready rigs that have served across the world in professional and personal-defense roles dependably, but nobody can deny that the gun's trigger could use some attention. Zev Technologies, an industry leader in aftermarket Glock triggers, created the perfect solution in the form of its Glock PRO Flat Face Ultimate Trigger Kit. Designed after an exhausting two-year process, during which hundreds of thousands of rounds were fired, the Zev PRO Flat Face Ultimate Trigger Kit developed as the do-it-all enhancement package to make your Glock's trigger more enjoyable, more predictable and more durable than ever before. Each Zev PRO Flat Face Ultimate Trigger Kit includes the company's riveted trigger, trigger bar, connector, firing-pin safety, firing-pin safety spring, striker spring, skeletonized striker and the trigger-spring ejector housing.
