

AR-15 RAPTOR-SD CHARGING HANDLE 5.56 - RADIAN WEAPONS

AR-15 RAPTOR-SD AMBIDEXTROUS CHARGING HANDLE FDE

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

The Radian Weapons (formerly AXTS) silencer-optimized Raptor-SD™ features a ported shaft designed to redirect gasses down and forward, away from the shooter's face when shooting suppressed. Its ambidextrous design allows rapid palm "blading" or finger-thumb charging of the weapon, ensuring the motion is fluid and fast from either strong or support side. The Raptor-SD is compatible with most AR15/M16-pattern rifles. Designed & Manufactured in the USA Machined from 7075-T6 aluminum Milspec Type 3 Hard Coat Anodized Finish w/ Cerakote Color Options

Safety Instruction Guide for AR15 RAPTORSD CHARGING HANDLE 5.56

Introduction

Thank you for purchasing the Radian Weapons AR15 RAPTORSD Charging Handle. This guide provides essential safety instructions to ensure the safe use and maintenance of your charging handle. Please read this document carefully before use to understand the product's features and safety precautions.

General Safety Guidelines

- Always handle firearms with care and treat them as if they are loaded.
- Ensure that the charging handle is compatible with your AR15/M16pattern rifle before installation.
- Follow all local laws and regulations regarding firearm accessories.
- Keep the product out of reach of children and unauthorized users.
- Inspect the charging handle regularly for any signs of damage or wear.
- Do not modify the charging handle in any way, as this may compromise safety and performance.
- In case of any malfunction or failure, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded before installing or using the charging handle.
- When using the charging handle, maintain a proper grip and posture to avoid injury.
- Be aware of your surroundings and ensure that no one is in the line of fire.
- Use the charging handle only in a safe and controlled environment.
- If using a suppressor, be aware that gas may be redirected; ensure proper ventilation.
- Always wear appropriate eye and ear protection when shooting.

Instructions for Installation and Usage

Installation

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the existing charging handle by pulling it out of the receiver.
3. Align the RaptorSD Charging Handle with the receiver.
4. Insert the charging handle into the receiver until it is fully seated.
5. Test the function of the charging handle by pulling it back and releasing it.

Usage

- To charge the weapon, use either the palm "blading" technique or the fingerthumb method, depending on your preference and comfort.
- Always ensure your grip is secure before manipulating the charging handle.
- Practice using the charging handle in a safe environment to become familiar with its operation.

Disposal Instructions

- When disposing of the charging handle, ensure it is done in an environmentally responsible manner.
- Check local regulations for proper disposal methods for aluminum and other materials.
- Do not throw the charging handle in general waste.

Contact Information for Further Support

For any questions regarding the AR15 RAPTORSD Charging Handle or safety concerns, please refer to the manufacturer's website or contact their support team directly. Ensure you have your product details on hand for efficient assistance.

By following these safety instructions, you can ensure a safer experience with your AR15 RAPTORSD Charging Handle. Always prioritize safety and responsible firearm handling.
