Enhance Your Precision Shooting With an Improved ARCA Rail

An accessory that's growing popular among shooters in the precision world is the ARCA rail, a sliding handguard that allows users to mount bipods, barricade stops and other accessories on a sliding unit that allows for fast, easy adjustment. However, Area 419 saw an issue with this friction lock, noticing that the system can slide under pressure. The company's ARCALock Universal Flat Rail solves this issue while still providing the benefits of the ARCA mechanism. Each Area 419 ARCALock Universal Flat Rail features a proprietary clamp design that mechanically locks the serrated sides of the rail into place, and the unit is backwards-compatible with all standard ARCA-style accessories on the market. Each edge and corner on the unit is radiused, so there's no way to cut or snag on any side of the rail. The entire unit is machined from 6061-T6 aluminum and features a Type 3 hard-coat anodizing. Area 419 designers initially developed its ARCALock Universal Flat Rail with the Manners Composite Stock in mind, but the unit can be used with a range of stocks with an accessible front-action screw or front-attachment point.

Attributes

- Name: [AREA 419 12" UNIVERSAL ARCALOCK RAIL](#)
- Manufacturer: [AREA 419](#)
- Product no.: 100033447
- Mfr. No.: 419-ALK-UNIV12R
- Attachment: Adapter Mount
- Delivery weight: 0.454kg
- Shipping height: 51mm
- Shipping width: 51mm
- Shipping length: 406mm
- UPC: 853675008969

ARCALOCK UNIVERSAL FLAT RAIL SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the ARCALOCK Universal Flat Rail by Area 419. This product is designed to enhance your shooting experience by providing a secure and adjustable mounting solution for various accessories. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the ARCALOCK Universal Flat Rail is used only for its intended purpose as a mounting accessory for bipods, barricade stops, and similar items.
- Always inspect the rail for any signs of damage or wear before each use. Do not use the rail if it appears damaged.
- Keep the rail out of reach of children and vulnerable individuals to prevent accidental injury.
- Follow local laws and regulations regarding the use of shooting accessories.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the rail is properly installed and secured before attaching any accessories.
- Avoid applying excessive force when adjusting the rail; this may cause it to malfunction.
- Be aware of your surroundings and ensure that no one is in the immediate vicinity when using the rail with mounted accessories.
- Only use accessories that are compatible with the ARCALOCK Universal Flat Rail to prevent accidents.
- Regularly check the tightness of the clamp mechanism to ensure it remains securely locked during use.

Instructions for Installation and Usage

1. Installation of the ARCALOCK Universal Flat Rail:

- Begin by selecting a compatible stock with an accessible frontaction screw or frontattachment point.
- Align the rail with the mounting point on your stock.
- Secure the rail by tightening the proprietary clamp mechanism until it is firmly in place.
- Ensure that the serrated sides of the rail are locked and that there is no movement when pressure is applied.

2. Using the ARCALOCK Universal Flat Rail:

- Attach your desired accessory, such as a bipod or barricade stop, to the rail.
- Adjust the position of the accessory as needed for your shooting setup.
- Confirm that the accessory is securely attached and does not move under pressure.
- When finished, remove the accessory and store the rail in a safe location.

Disposal Instructions

- Dispose of the ARCALOCK Universal Flat Rail in accordance with local regulations for aluminum products.
- Do not dispose of the rail in general waste. Instead, consider recycling options available in your area.

Contact Information for Further Support

For any inquiries or support regarding the ARCALOCK Universal Flat Rail, please refer to the manufacturer's contact information provided with the product packaging or visit the official Area 419 website.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your ARCALOCK Universal Flat Rail!
