# Agency Arms 417S Single Port Compensator Safety Instructions

## Introduction

Thank you for choosing the Agency Arms 417S Single Port Compensator for your Glock® Gen 3 pistol. This product is designed to enhance your shooting experience while ensuring safety and compliance with EU regulations. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the compensator safely.

## General Safety Guidelines

- Always handle firearms and accessories with care. Treat every firearm as if it is loaded.
- Use the compensator only with compatible Glock models: 17, 19, 34, 26, 45, and 19X.
- Ensure that the compensator is installed correctly before use.
- Always wear appropriate eye and ear protection when shooting.
- Keep the compensator and firearm out of reach of children and unauthorized users.
- Regularly inspect the compensator for wear and damage. Do not use if damaged.
- Follow all local laws and regulations regarding firearm modifications.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Improper installation may lead to malfunction or injury.
- The compensator can redirect gases and may affect firearm handling.

### • Avoiding Hazards:

- Ensure that the compensator is securely attached before firing.
- Do not attempt to modify the compensator or firearm.
- Always check the firearm's condition and the compensator's fit before use.
- Be aware of your surroundings and ensure a safe shooting environment.

### • Audience Specific Warnings:

- This product is intended for adult users. Do not allow minors to handle or use this compensator without adult supervision.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and the magazine is removed.
- Thread the compensator onto the barrel using the standard 1/2x28 thread pitch.
- Tighten the compensator securely using the provided set screws.
- Confirm that the front sight hole is aligned correctly for your existing front sight.

### 2. Usage:

- After installation, perform a function check to ensure the firearm operates correctly.
- When firing, maintain a firm grip on the firearm to manage the compensator's effects on recoil.
- Always monitor the firearm's performance and the compensator's condition during use.

## **Disposal Instructions**

- Dispose of the compensator according to local regulations for firearm accessories.
- If the compensator is damaged or no longer usable, do not attempt to repair it. Follow local guidelines for safe disposal.

## **Contact Information for Further Support**

For any inquiries regarding the safety and performance of the Agency Arms 417S Single Port Compensator, please consult your local dealer or agency. Always ensure that you are following the latest safety guidelines and regulations.

By following these safety instructions, you can help ensure a safe and enjoyable experience with the Agency Arms 417S Single Port Compensator. Thank you for your attention to safety!
