Safety Instruction Guide for the Agency Arms 417S Single Port Compensator

Introduction

Thank you for choosing the Agency Arms 417S Single Port Compensator for your Glock® Gen 3 firearm. This guide provides essential safety information and instructions to ensure the safe and effective use of the compensator. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that the compensator is compatible with your Glock® model (17, 19, 34, 26, 45, 19X).
- Always handle firearms with care and follow basic firearm safety rules.
- Keep the compensator and all firearm accessories out of reach of children and unauthorized users.
- Inspect the compensator regularly for damage or wear. Do not use if any part is compromised.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or removing the compensator.
- Use only the OEM recoil spring assembly as specified in the product description.
- Do not attempt to modify the compensator or use it in ways not intended by the manufacturer.
- Be aware that the compensator may affect the firearm's recoil and muzzle rise.
- Ensure that the front sight is securely transferred to the compensator before use.
- Use appropriate eye and ear protection when firing your firearm equipped with the compensator.

Instructions for Installation and Usage

1. Preparation:

- Ensure your Glock® is unloaded and pointed in a safe direction.
- Gather necessary tools: a hex key for the set screws.

2. Installation:

- Remove the existing muzzle device from your Glock®.
- Align the Agency Arms 417S Compensator with the threaded barrel.
- Handtighten the compensator onto the barrel until snug.
- Using the hex key, secure the compensator with the provided set screws. Ensure they are tightened properly but do not overtighten to avoid damage.

3. Transferring the Front Sight:

- Remove the front sight from your slide.
- Insert the front sight into the designated hole on the compensator.
- Ensure the sight is securely in place before use.

4. Usage:

- Once installed, perform a function check to ensure everything is working correctly.
- Use the compensator as intended during shooting practice or competition.
- Regularly inspect the compensator and front sight for any signs of wear or damage.

Disposal Instructions

- Dispose of the compensator in accordance with local regulations regarding firearm accessories.
- Do not dispose of any firearm components in regular household waste.
- Contact local authorities or waste management facilities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, installation, or usage of the Agency Arms 417S Single Port Compensator, please reach out to your local dealer or the manufacturer directly. Ensure that you have your product details ready for a more efficient response.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on your careful adherence to these guidelines. Enjoy using your Agency Arms 417S Single Port Compensator responsibly.
