# Safety Instruction Guide for Agency Arms 417S Single Port Compensator

## Introduction

Thank you for choosing the Agency Arms 417S Single Port Compensator. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your compensator with Glock® Gen 4 firearms. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your Glock® firearm before installing the compensator.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Use appropriate personal protective equipment (PPE) such as safety glasses and ear protection when shooting.
- Store the compensator and your firearm securely, away from children and unauthorized users.
- Regularly inspect your compensator and firearm for any signs of wear or damage.
- Do not attempt to modify or alter the compensator in any way.

## Specific Safety Precautions for Use

- Only use the Agency Arms 417S Single Port Compensator with compatible Glock® models: 17, 19, 34, 26, 45, and 19X.
- Ensure that the compensator is properly installed before use. An improperly installed compensator may lead to malfunctions or accidents.
- Avoid using ammunition that exceeds the specifications recommended for your firearm.
- If you experience any malfunctions while using the compensator, cease use immediately and consult a qualified gunsmith.
- Be aware that the compensator may affect the firearm's recoil and shooting dynamics. Practice accordingly to adapt to any changes.

## Instructions for Installation and Usage

### Installation Instructions

1. **Preparation:** Ensure your firearm is unloaded and pointed in a safe direction.
2. **Remove the Slide:** Follow the manufacturer's instructions to remove the slide from your Glock® firearm.
3. **Install the Compensator:**
  - Thread the compensator onto the muzzle of the barrel using the standard 1/2x28 thread pitch.
  - Ensure the compensator is securely tightened but do not overtighten.
4. **Set Screws:** Use the provided set screws to secure the compensator in place. Ensure they are tightened properly.
5. **Front Sight Hole:** If applicable, transfer your existing front sight from the slide to the compensator using the front sight hole.
6. **Reassemble the Firearm:** Reattach the slide to the frame of your Glock® firearm.

### Usage Instructions

- Always ensure that the compensator is securely attached before shooting.
- Practice shooting in a controlled environment to become familiar with the compensator's performance.
- Maintain a safe shooting stance and be aware of your surroundings.

## **Disposal Instructions**

- Dispose of any damaged or wornout compensators in accordance with local regulations.
- Do not dispose of the compensator in regular household waste. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries related to safety, installation, or usage of the Agency Arms 417S Single Port Compensator, please contact the manufacturer or a qualified firearms expert.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your Agency Arms 417S Single Port Compensator. Always prioritize safety and responsible firearm handling.
