# Safety Instruction Guide for ULTIMATE FULL SIZE CARRY MAGWELL FOR GLOCK GEN 4

## Introduction

Thank you for purchasing the ULTIMATE FULL SIZE CARRY MAGWELL FOR GLOCK GEN 4. This product is designed to enhance the functionality of your Glock pistol while ensuring safe and efficient use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always handle firearms with care and follow all local laws and regulations regarding firearm use and ownership.
- Ensure that the firearm is unloaded before installing or handling the magwell.
- Do not use the magwell on stippled frames or Polymer 80 frames, as this may lead to improper fitting and unsafe conditions.
- Be aware that the magwell is not compatible with .45 caliber Glocks and may require slight fitting on stippled Glocks.
- Keep the magwell and firearm out of reach of children and unauthorized users.
- Regularly inspect the magwell for wear or damage before use.

## Specific Safety Precautions for Use

- Ensure that the firearm is in a safe condition before attempting to install the magwell.
- Do not attempt to modify the magwell or the firearm in any way that could compromise safety.
- Avoid using the magwell with any backstraps or on stippled frames that extend to the bottom of the grip.
- If you experience any issues with the magwell's fit or function, discontinue use immediately and consult a qualified gunsmith.
- Always wear appropriate eye and ear protection when handling firearms.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your Glock model is compatible with the magwell (models 17, 17L, 22, 24, 34, 35, 31).
- Verify that the firearm is unloaded.

### 2. Installation:

- Align the magwell with the grip of your Glock.
- Slide the magwell onto the grip until it is fully seated.
- Use the provided set screw to secure the magwell in place. Ensure it is tightened adequately for a secure fit.
- Check that the magwell does not interfere with the operation of the firearm.

### 3. Usage:

- Practice reloading with the magwell to familiarize yourself with its functionality.
- Ensure that you maintain a firm grip on the firearm while reloading to maximize efficiency and safety.

### 4. PostInstallation Check:

- After installation, ensure that the magwell is securely attached and that there are no gaps between the magwell and the grip.
- Test the functionality of the firearm with the magwell attached to ensure proper operation.

## **Disposal Instructions**

- When disposing of the magwell, follow local regulations regarding the disposal of metal products.
- Do not dispose of the magwell in a manner that could pose a risk to the environment or public safety.

## **Contact Information for Further Support**

For any inquiries regarding the ULTIMATE FULL SIZE CARRY MAGWELL FOR GLOCK GEN 4, please refer to the manufacturer's website or contact customer support.

By following these safety guidelines and instructions, you can ensure the safe and effective use of the ULTIMATE FULL SIZE CARRY MAGWELL FOR GLOCK GEN 4. Thank you for your attention to these important safety measures.
