

# ANGEL 3.0 CONNECTOR FOR GLOCK® - GHOST ANGEL 3.0 FOR GLOCK GEN 1-5 & X

[Handgun Parts](#) > [Trigger Group Parts](#) > [Connector Parts](#)

Many of today's handgunners struggle with a flinch occurring just before the shot breaks, and Ghost Inc. thinks there's a solution to that issue in the design of today's triggers. The flinch comes from the anticipation of the shot breaking, due to the stacking on the trigger just before the gun fires. With the Ghost Inc. Ghost Angel 3.0 Connector, there's no stacking, so no anticipation! Each Ghost Inc. Ghost Angel 3.0 Connector provides a smooth, consistent feel all the way through a trigger pull, with no stacking or loading at any point during trigger travel. The redesigned nature of the trigger connector gives it an advantage over traditional connectors, ensuring that shooters can confidently engage targets without any hesitation. All of the company's connectors are made in the USA.

## Attributes

- Name: [GHOST ANGEL 3.0 FOR GLOCK GEN 1-5 & X](#)
- Manufacturer: [GHOST](#)
- Product no.: 100033481
- Mfr. No.: GHO\_ANGEL 3.0
- Model: Gen 3,Gen 5,Gen 1,Gen 2,Gen 4
- Weapon type: Glock
- Delivery weight: 0.011kg
- Shipping height: 25mm
- Shipping width: 114mm
- Shipping length: 76mm
- UPC: 813978020617

# GHOST ANGEL 3.0 CONNECTOR FOR GLOCK®

## Safety Instruction Guide

### Introduction

Thank you for choosing the GHOST ANGEL 3.0 Connector for Glock. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. It is important to follow these instructions carefully to avoid potential hazards and ensure optimal performance.

### General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with the manufacturer's instructions.
- Always treat firearms as if they are loaded, even if you believe they are not.
- Store the connector in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the connector for wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

### Specific Safety Precautions for Use

- Only use the GHOST ANGEL 3.0 Connector with Glock models Gen 15.
- Ensure that the firearm is unloaded before installing or removing the connector.
- Avoid using the connector if it shows signs of damage or wear.
- Do not modify the connector in any way, as this may compromise safety.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools for installation, such as a punch and hammer.

#### 2. Installation Steps:

- Remove the slide from the Glock by following the manufacturer's instructions.
- Locate the trigger assembly within the frame of the firearm.
- Carefully remove the existing connector using the punch and hammer.
- Insert the GHOST ANGEL 3.0 Connector into the trigger assembly, ensuring it is seated properly.
- Reassemble the firearm by following the manufacturer's instructions for reattaching the slide.

#### 3. Usage Instructions:

- After installation, conduct a function check to ensure the connector is working correctly.
- Practice safe handling and shooting techniques at all times.
- Regularly clean and maintain the connector and firearm to ensure optimal performance.

### Disposal Instructions

- Dispose of any damaged or worn connectors in accordance with local regulations.
- Do not throw connectors in regular household waste. Instead, contact local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the GHOST ANGEL 3.0 Connector, please refer to the manufacturer's website or customer service for assistance.

Thank you for prioritizing safety and following these guidelines. Enjoy using your GHOST ANGEL 3.0 Connector responsibly!
