## Increase Round Count in Your Ruger Rimfire

Looking to add capacity to your Ruger Mk or 22/45 Series rimfire pistols? Tandemkross has an easy answer in the form of its Maximus Plus 1 Follower designed specifically for Ruger's magazines. Ruger's rimfire pistols are some of the most-popular options on the market, particularly for competitors, and the new follower design allows shooters to gain an edge with a single round more in their guns. Each Tandemkross Maximus Plus 1 Magazine Follower is constructed from durable Zytel, ensuring that it'll last longer and perform reliably through thousands upon thousands of rounds. The Zytel follower is colored with a bright red, so shooters will know when their magazine is empty. No special tools are required to install the Maximus, since the follower drops right in place of the OEM factory follower. Each Tandemkross Maximus Plus 1 Follower kit ships with two magazine followers. However, the company warns that the additional use of the Tandemkross Plus 1 Base Pad with the Plus 1 Follower will not allow owners to load 12 rounds in their magazines, only 11 rounds.

# MAXIMUS Plus 1 Follower Safety Instruction Guide

## Introduction

Thank you for choosing the MAXIMUS Plus 1 Follower for your Ruger Mk or 22/45 Series rimfire pistols. This product is designed to enhance your shooting experience by increasing magazine capacity. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always ensure your firearm is unloaded when installing or handling the MAXIMUS Plus 1 Follower.
- Keep the product out of reach of children and unauthorized users.
- Use the MAXIMUS Plus 1 Follower only with compatible Ruger magazines.
- Regularly inspect the follower for wear and damage before use.
- Follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- Ensure that the magazine is completely empty before attempting to install the follower.
- Do not exceed the recommended magazine capacity of 11 rounds when using the MAXIMUS Plus 1 Follower.
- Avoid using the follower if it shows any signs of damage or if it does not fit securely in the magazine.
- Store the follower in a cool, dry place to prevent deterioration of materials.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the magazine is unloaded and free from any ammunition.
- Remove the existing factory follower from the magazine.
- Insert the MAXIMUS Plus 1 Follower into the magazine, ensuring it fits securely in place.
- Check that the follower moves freely within the magazine.

### 2. Usage:

- Load your magazine with up to 11 rounds of ammunition.
- When the magazine is empty, the bright red color of the follower will indicate that it needs to be reloaded.
- Always handle your firearm safely and responsibly, following all manufacturer guidelines.

## Disposal Instructions

- Dispose of the MAXIMUS Plus 1 Follower in accordance with local regulations.
- Do not dispose of the follower in regular household waste if it shows signs of damage or contamination.
- Consider recycling options for plastic materials if applicable.

## Contact Information for Further Support

For any inquiries regarding the safety and usage of the MAXIMUS Plus 1 Follower, please consult the manufacturer or your local firearm dealer for assistance.

Please remember that safety is paramount when handling firearms and their accessories. Regularly review and

adhere to these guidelines to ensure a safe shooting experience.
