GRIP TAPE FOR GLOCK® 43X/48 TALON GRIPS INC

GRIP GRANULATED BLACK FOR G43X/48 GLOCK

Safety Instructions

Introduction

Thank you for choosing the TALON Grips for your Glock model 43X and 48. This product is designed to enhance your grip and control while using your firearm. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm securely and out of reach of children.
- Familiarize yourself with local laws and regulations regarding firearm ownership and usage.
- Inspect your grip tape regularly for wear or damage.
- Do not use the grip tape if it shows signs of excessive wear or if it has become loose.

Specific Safety Precautions for Use

- Ensure that your Glock is unloaded before installing the grip tape.
- Avoid contact with moisture or chemicals that may degrade the grip material.
- Do not use the grip tape on firearms other than the specified models (Glock 43X and 48).
- If you experience any discomfort or difficulty in handling your firearm due to the grip tape, discontinue use immediately.
- Be cautious when handling your firearm with the grip tape, as it may alter the feel of the firearm.

Instructions for Installation and Usage

Installation

1. **Clean the Surface:** Use a clean cloth to wipe down the grip area of your Glock. Ensure it is free of dirt, oil, and moisture.
2. **Peel the Backing:** Carefully peel off the backing of the grip tape, exposing the adhesive side.
3. **Align the Grip Tape:** Position the grip tape on the side panels, backstrap, and under the trigger guard, ensuring it is aligned properly.
4. **Press Firmly:** Once positioned, press down firmly on the grip tape to ensure good adhesion. Pay special attention to the edges.
5. **Allow to Set:** Let the tape set for at least 24 hours before use to ensure optimal adhesion.

Usage

- Hold your firearm firmly with both hands, ensuring your fingers are properly placed on the grip tape.
- Regularly check the grip for any signs of wear or loosening.
- If the grip tape begins to peel or lift, replace it immediately to maintain grip quality.

Disposal Instructions

- Dispose of the grip tape responsibly. Follow local regulations regarding the disposal of adhesive materials.
- Do not incinerate the grip tape as it may release harmful fumes.

Contact Information for Further Support

For safety inquiries or additional support, please refer to the manufacturer's website or customer service resources. Ensure you have your product details available for reference.

Conclusion

By following these safety instructions, you can enjoy enhanced grip and control while using your Glock 43X or 48. Always prioritize safety and responsible firearm handling. Thank you for choosing TALON Grips.
