Safety Instruction Guide for GRIP TAPE FOR SIG SAUER P365

Introduction

Thank you for choosing TALON Grips for your Sig Sauer P365. This grip tape is designed to enhance your shooting experience by providing improved handling and control. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure the product is compatible with your firearm model before installation.
- Always handle your firearm safely and responsibly.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly inspect the grip tape for wear or damage, and replace it if necessary.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the grip tape as intended. Do not modify or alter it.
- Avoid exposing the grip tape to extreme temperatures or chemicals that may degrade the material.
- Ensure your hands are clean and dry before handling the grip tape to maintain adhesion.
- Do not use the firearm while the grip tape is being applied or removed.
- If you experience any allergic reactions to the grip tape material, discontinue use immediately.

Instructions for Installation and Usage

Installation Instructions

1. **Clean the Surface:** Use a mild detergent and water to clean the area where the grip tape will be applied. Allow it to dry completely.
2. **Prepare the Grip Tape:** Carefully remove the grip tape from its backing, taking care not to touch the adhesive side.
3. **Position the Grip Tape:** Align the grip tape with the side panels of your firearm. Ensure it covers the thumb rest area, trigger guard, and backstrap.
4. **Apply the Grip Tape:** Firmly press the grip tape onto the firearm, starting from one end and working towards the other to avoid air bubbles.
5. **Secure the Edges:** Use your fingers to press down on the edges of the grip tape to ensure a strong bond.
6. **Allow to Set:** Let the grip tape set for at least 24 hours before using the firearm to ensure maximum adhesion.

Usage Instructions

- Always check the grip tape before each use to ensure it is securely attached.
- Handle your firearm with care, maintaining a firm grip at all times.
- If you notice any lifting or peeling of the grip tape during use, stop using the firearm and reapply or replace the grip tape as needed.

Disposal Instructions

- Dispose of the grip tape according to local regulations for rubber materials.
- Do not dispose of in regular household waste if local laws require special disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of TALON Grips for Sig Sauer P365, please contact the manufacturer or refer to your local retailer for support.

By following these guidelines, you can ensure a safe and enjoyable experience with your TALON Grips for Sig Sauer P365. Thank you for prioritizing safety!
