# Safety Instruction Guide for GRIP TAPE FOR SIG SAUER P365

## Introduction

Thank you for choosing TALON Grips for your Sig Sauer P365. This product is designed to enhance your grip and improve your shooting experience. To ensure your safety and the effective use of this product, please read and follow the instructions and safety guidelines outlined in this document.

## General Safety Guidelines

- Always ensure the firearm is unloaded before applying or handling the grip tape.
- Keep the grip tape away from children and vulnerable individuals who may not understand its purpose or risks.
- Inspect the grip tape regularly for wear and tear. Replace it if it becomes damaged or loses its effectiveness.
- In case of any adverse reactions (e.g., skin irritation), discontinue use immediately and consult a medical professional.

## Specific Safety Precautions for Use

- Ensure that the surface of your firearm is clean and dry before applying the grip tape.
- Avoid using the grip tape in extreme temperatures or conditions that may compromise its adhesion or performance.
- Do not attempt to modify or alter the grip tape once it is applied to the firearm.
- Always handle your firearm responsibly and in accordance with local laws and regulations.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather the necessary tools: a clean cloth, rubbing alcohol, and scissors (if trimming is required).
- Ensure the firearm is unloaded and pointed in a safe direction.

### 2. Cleaning the Surface:

- Use the clean cloth and rubbing alcohol to thoroughly clean the areas where the grip tape will be applied. Allow it to dry completely.

### 3. Application:

- Carefully peel the backing off the grip tape.
- Align the grip tape with the side panels, thumb rest area, trigger guard, and backstrap of the firearm.
- Press the grip tape firmly onto the surface, ensuring there are no air bubbles or wrinkles.
- If necessary, trim the grip tape to fit your firearm using scissors.

### 4. Final Inspection:

- Check the grip tape to ensure it is securely attached and covers all intended areas.
- Allow the adhesive to set for at least 24 hours before using the firearm to ensure optimal adhesion.

## **Disposal Instructions**

- Dispose of any unused or damaged grip tape in accordance with local waste management regulations.
- Do not incinerate the grip tape as it may release harmful substances.

## **Contact Information for Further Support**

For any inquiries regarding the safety and performance of this product, please refer to the contact information provided in the packaging or visit the manufacturer's website.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your enhanced shooting experience with TALON Grips for Sig Sauer P365!
