

# WHISKEY 3 TIKKA T3X CHASSIS - KINETIC RESEARCH GROUP TIKKA T3X CHASSIS FIXED STOCK SAKO GREEN

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

## State-of-the-Art Stock Technology

The KRG Whiskey-3 Chassis (W3C) is one of the premier chassis available for your bolt action precision rifle. The W3C combines precise aluminum bedding with tool-less adjustments, durability, and excellent ergonomics. Right out of the box it allows the use of AICS style magazines (not included) in your rifle without any special bottom metal. Numerous types of accessories can be added to the many attachment points, including handstops, sling mounts, rails, bipods, monopods, and more. KRG's modular grip panels allow the shooter to tailor the fit of the stock to his/her hand which, combined with the other adjustments, yield a stock set up exactly as it needs to be for that particular shooter. The latest Generation (6) features a new length-of-pull locking mechanism that is a bit more streamlined than previous generations and allows for faster adjustments. The Tikka inlet accepts T3, T3x, and CTR versions (basically all short action caliber T3 variants). Tikka rifles accept AICS pattern mags with the exception of the Magpul AICS polymer mags.

## Attributes

- Name: [KINETIC RESEARCH GROUP TIKKA T3X CHASSIS FIXED STOCK SAKO GREEN](#)
- Manufacturer: [KINETIC RESEARCH GROUP](#)
- Product no.: 100033802
- Mfr. No.: W3X-T3S-GRN
- Action Type: Short
- Colour: Sako Green
- Model: CTR,T3,T3x
- Style: Chassis
- Weapon type: Tikka
- Weight: 3.8 lbs
- Delivery weight: 2.268kg
- Shipping height: 76mm
- Shipping width: 165mm
- Shipping length: 775mm

## Item details

Made in USA

US export classification: 0A501.y.1

# Safety Instructions for WHISKEY 3 TIKKA T3X CHASSIS

## Introduction

Thank you for choosing the KRG Whiskey3 Chassis (W3C) for your Tikka T3, T3x, or CTR rifle. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure the product is compatible with your rifle model (Tikka T3, T3x, or CTR).
- Always handle firearms with care and follow standard firearms safety rules.
- Keep the chassis and all related components away from children and unauthorized users.
- Inspect the chassis regularly for any signs of wear or damage.
- Store the chassis in a safe and secure location when not in use.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use only AICS style magazines compatible with your Tikka rifle (not included).
- Do not attempt to modify or alter the chassis in any way that is not recommended by the manufacturer.
- Ensure that all adjustments to the chassis are made while the rifle is in a safe, unloaded condition.
- Be aware of the lengthofpull adjustments and ensure they are securely locked before use.
- Use appropriate protective gear (e.g., eye and ear protection) when operating your firearm.
- Avoid using the chassis in extreme environmental conditions that may affect its performance.

## Instructions for Installation and Usage

### 1. Installation:

- Remove your rifle's factory stock according to the manufacturer's instructions.
- Carefully position the Tikka rifle into the Whiskey3 Chassis.
- Ensure that the action is properly seated in the chassis.
- Securely fasten any screws or components as per the installation manual.

### 2. Adjustments:

- Adjust the lengthofpull using the locking mechanism, ensuring it is secure before use.
- Customize the grip panels to fit your hand size and shooting style.
- Attach any desired accessories (e.g., handstops, sling mounts) using the designated attachment points.

### 3. Usage:

- Always ensure the rifle is pointed in a safe direction when handling.
- Check that the magazine is properly seated and the rifle is ready for operation.
- After use, clean and maintain the chassis according to the recommended guidelines.

## Disposal Instructions

- Dispose of the chassis and any accessories in accordance with local regulations.
- Do not dispose of the chassis in household waste if it contains hazardous materials.

- Contact your local waste management facility for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries, product support, or to report unsafe products, please contact the manufacturer or your local distributor. Ensure that you have your product details handy for a more efficient response.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our highest priority.
