

# WHISKEY 3 TIKKA T3X CHASSIS - KINETIC RESEARCH GROUP TIKKA T3X CHASSIS FOLDING STOCK BLACK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

## State-of-the-Art Stock Technology

The KRG Whiskey-3 Chassis (W3C) is one of the premier chassis available for your bolt action precision rifle. The W3C combines precise aluminum bedding with tool-less adjustments, durability, and excellent ergonomics. Right out of the box it allows the use of AICS style magazines (not included) in your rifle without any special bottom metal. Numerous types of accessories can be added to the many attachment points, including handstops, sling mounts, rails, bipods, monopods, and more. KRG's modular grip panels allow the shooter to tailor the fit of the stock to his/her hand which, combined with the other adjustments, yield a stock set up exactly as it needs to be for that particular shooter. The latest Generation (6) features a new length-of-pull locking mechanism that is a bit more streamlined than previous generations and allows for faster adjustments. The Tikka inlet accepts T3, T3x, and CTR versions (basically all short action caliber T3 variants). Tikka rifles accept AICS pattern mags with the exception of the Magpul AICS polymer mags.

## Attributes

- Name: [KINETIC RESEARCH GROUP TIKKA T3X CHASSIS FOLDING STOCK BLACK](#)
- Manufacturer: [KINETIC RESEARCH GROUP](#)
- Product no.: 100033803
- Mfr. No.: W3G-T3S-BLK
- Action Type: Short
- Colour: Black
- Model: CTR,T3,T3x
- Style: Chassis
- Weapon type: Tikka
- Weight: 4.1 lbs
- Delivery weight: 2.268kg
- Shipping height: 76mm
- Shipping width: 165mm
- Shipping length: 775mm

## Item details

Made in USA

US export classification: 0A501.y.1

# Safety Instruction Guide for WHISKEY 3 TIKKA T3X CHASSIS

## Introduction

Thank you for choosing the KRG Whiskey3 Chassis (W3C) for your Tikka T3, T3x, or CTR precision rifle. This guide provides important safety instructions and usage guidelines to ensure the safe operation and maintenance of your chassis. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that you understand all safety instructions before using the chassis.
- Always handle your rifle and chassis as if they are loaded.
- Keep the chassis and all accessories out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always use AICS style magazines that are compatible with the Tikka rifle. Do not use incompatible magazines.
- Ensure that the chassis is properly installed before use. Follow the installation instructions carefully.
- Avoid placing excessive weight on the chassis during use, as this may cause damage or instability.
- Do not modify the chassis or its components in any way that could compromise safety.
- Be cautious when making adjustments to the length of pull locking mechanism to avoid pinching fingers.
- Always check the rifle's action type and ensure compatibility with the chassis before installation.
- Use handstops and sling mounts as intended to maintain stability during use.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the existing stock from your Tikka rifle.
- Align the Tikka action with the chassis inlet.
- Secure the action using the appropriate screws provided with your chassis.
- Attach any additional components, such as the folding stock, according to the manufacturer's instructions.

### 2. Adjustments:

- To adjust the length of pull, locate the locking mechanism and follow the manufacturer's instructions for adjustments.
- Test the adjustments to ensure a comfortable fit for your hand.

### 3. Usage:

- Ensure that the rifle is unloaded before attaching or detaching the chassis.
- Practice safe shooting techniques and always be aware of your surroundings when using the rifle.
- Regularly check all attachment points for tightness and security during use.

### 4. Maintenance:

- Clean the chassis regularly to remove dirt and debris.
- Inspect for any loose screws or components and tighten as necessary.
- Store the chassis in a dry place to prevent corrosion.

## Disposal Instructions

- When disposing of the chassis, follow local regulations regarding the disposal of metal and plastic materials.
- Do not incinerate the chassis or its components, as they may release harmful substances.
- Consider recycling the chassis if possible, or contact a local waste management facility for guidance.

## Contact Information for Further Support

For any questions or concerns regarding the KRG Whiskey3 Chassis, please refer to the manufacturer's website or contact your retailer for assistance. Always ensure that you are following the latest safety guidelines and recommendations from the manufacturer.

By following these safety instructions and guidelines, you can ensure a safer experience while using your KRG Whiskey3 Chassis. Thank you for your attention to safety and enjoy your shooting experience!
