

WHISKEY 3 REMINGTON 700 CHASSIS - KINETIC RESEARCH GROUP

REMINGTON 700 SA FIXED STOCK SAKO GREEN

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

A Chassis You Can Customize to Fit Like a Glove

The KRG Whiskey-3 Chassis (W3C) is one of the premier chassis available for your bolt action precision rifle. The W3C combines precise aluminum bedding with tool-less adjustments, durability, and excellent ergonomics. Right out of the box it allows the use of AICS style magazines (not included) in your rifle without any special bottom metal. Numerous types of accessories can be added to the many attachment points, including handstops, sling mounts, rails, bipods, monopods, and more. KRG's modular grip panels allow the shooter to tailor the fit of the stock to his/her hand which, combined with the other adjustments, yield a stock set up exactly as it needs to be for that particular shooter. The latest Generation (6) features a new length-of-pull locking mechanism that is a bit more streamlined than previous generations and allows for faster adjustments. Remington 700 long action chassis takes AICS pattern 3.850" length magazines.

Attributes

- Name: [KINETIC RESEARCH GROUP REMINGTON 700 SA FIXED STOCK SAKO GREEN](#)

Safety Instruction Guide for WHISKEY 3 REMINGTON 700 CHASSIS

Introduction

Thank you for choosing the KRG Whiskey3 Chassis (W3C) for your Remington 700 rifle. This guide provides essential safety information and instructions to ensure the safe and effective use of your new chassis. Please read this guide thoroughly before installation and use.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the chassis by following all instructions and guidelines provided. This product is designed for bolt action precision rifles and should only be used as intended.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. If you receive a recall notice, follow the instructions provided for returning the product or obtaining a remedy.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements and provides clear product information.
- **Special Consumer Focus:** This product is not intended for use by children. Keep all components out of reach of children to prevent accidents.
- **EU Contact Point:** For safety inquiries, please refer to the official EU contact points available online.
- **Rapid Alerts:** Check the EU's Safety Gate platform regularly for updates on unsafe products and recalls.

Specific Safety Precautions for Use

- **Installation Precautions:**
 - Ensure that the chassis is installed by a qualified individual or follow the installation instructions carefully.
 - Do not modify the chassis or its components in any way that could compromise safety or performance.
- **Usage Precautions:**
 - Always ensure that the rifle is unloaded before handling or making adjustments to the chassis.
 - Use the chassis only with compatible AICS style magazines.
 - Regularly inspect the chassis for any signs of wear or damage before each use.
- **Storage Precautions:**
 - Store the chassis in a cool, dry place away from direct sunlight and moisture.
 - Ensure that the chassis is secured when not in use to prevent unauthorized access.

Instructions for Installation and Usage

1. Installation:

- Remove the existing stock from your Remington 700 rifle.
- Align the action of the rifle with the bedding area of the Whiskey3 chassis.
- Secure the action using the provided screws, ensuring a firm fit without overtightening.
- Attach any desired accessories to the available attachment points, following the manufacturer's guidelines for each accessory.

2. Usage:

- Adjust the length of pull using the locking mechanism, ensuring it is securely locked in place before use.
- Customize the grip panels to fit your hand comfortably, allowing for optimal control of the rifle.
- Utilize the attachment points for accessories like bipods or sling mounts as needed for your

shooting style.

Disposal Instructions

- **Disposal of the Product:** When the chassis reaches the end of its life or is no longer needed, dispose of it in accordance with local regulations. Many components can be recycled; check with your local recycling center for guidance.
- **Battery Disposal (if applicable):** If your chassis includes any electronic components, follow local regulations for the disposal of batteries and electronic waste.

Contact Information for Further Support

For any questions or concerns regarding the installation, usage, or safety of your KRG Whiskey3 Chassis, please consult the official Kinetic Research Group website or contact their customer support for assistance.

Thank you for choosing the KRG Whiskey3 Chassis. We wish you safe and enjoyable shooting experiences!
