

# WHISKEY 3 REMINGTON 700 CHASSIS - KINETIC RESEARCH GROUP REMINGTON 700 SA FOLDING STOCK SAKO GREEN

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

## A Chassis You Can Customize to Fit Like a Glove

The KRG Whiskey-3 Chassis (W3C) is one of the premier chassis available for your bolt action precision rifle. The W3C combines precise aluminum bedding with tool-less adjustments, durability, and excellent ergonomics. Right out of the box it allows the use of AICS style magazines (not included) in your rifle without any special bottom metal. Numerous types of accessories can be added to the many attachment points, including handstops, sling mounts, rails, bipods, monopods, and more. KRG's modular grip panels allow the shooter to tailor the fit of the stock to his/her hand which, combined with the other adjustments, yield a stock set up exactly as it needs to be for that particular shooter. The latest Generation (6) features a new length-of-pull locking mechanism that is a bit more streamlined than previous generations and allows for faster adjustments. Remington 700 long action chassis takes AICS pattern 3.850" length magazines.

## Attributes

- Name: [KINETIC RESEARCH GROUP REMINGTON 700 SA FOLDING STOCK SAKO GREEN](#)
- Manufacturer: [KINETIC RESEARCH GROUP](#)
- Product no.: 100033814

# Safety Instruction Guide for WHISKEY 3 REMINGTON 700 CHASSIS

## Introduction

Thank you for choosing the KRG Whiskey3 Chassis for your Remington 700 rifle. This guide provides essential safety instructions and usage information to ensure safe and effective operation of your chassis. Please read this manual carefully before use.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the chassis is properly installed and secure before use.
- Regularly inspect the chassis and all accessories for wear and damage.
- Use only compatible magazines and accessories designed for the KRG Whiskey3 Chassis.
- Keep the chassis and all components out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm usage and storage.
- Report any unsafe product experiences or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the rifle is pointed in a safe direction at all times.
- Do not exceed the recommended weight limit for accessories to avoid compromising stability.
- Use caution when adjusting the length of pull locking mechanism to prevent pinching.
- Avoid using excessive force during installation or adjustments.
- Do not modify the chassis or use nonapproved parts, as this may compromise safety.
- If you experience any issues with the chassis, cease use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the existing stock from the Remington 700 rifle.
- Align the action of the rifle with the chassis and secure it using the provided screws.
- Ensure all screws are tightened to the manufacturer's specifications.
- Attach any desired accessories following the manufacturer's instructions.

### 2. Adjustments:

- To adjust the length of pull, locate the locking mechanism and release it.
- Slide the buttstock to the desired position and reengage the locking mechanism.
- Test the stability of the adjustment before using the rifle.

### 3. Usage:

- Load the rifle with compatible AICS style magazines.
- Check that all components are secure before taking the rifle to the range.
- Practice safe handling and shooting techniques at all times.

## Disposal Instructions

- Dispose of the chassis and any nonfunctional components in accordance with local regulations.
- Do not dispose of the chassis in regular household waste. Contact local waste management for proper disposal methods.

## Contact Information for Further Support

For questions or concerns regarding safety, usage, or product support, please contact the manufacturer or your local authorized dealer.

By following these safety instructions, you can ensure a safe and enjoyable experience with your KRG Whiskey3 Chassis. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
