

# BRAVO CHASSIS FOR TIKKA T3X - KINETIC RESEARCH GROUP

## BRAVO CHASSIS FOR TIKKA T3X BLACK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

### Looks Cool, But Performs Too

KINETIC RESEARCH GROUP BRAVO CHASSIS FOR TIKKA T3X The Bravo is one of the most comfortable stocks available but that's just the beginning. The price will make you and your wallet smile so that's a double bonus right there.

The precisely machined bedding area will put your action in its happy place nearly like it was custom bedded in there. The full length stiff aluminum backbone will not allow the forend to flex on you but does allow design modularity with loads of accessories and even other KRG chassis. The ergonomic adjustments are just what you need to fit your frame so you can pull off the difficult shots. Of course it takes AICS mags right out of the box. It's light. It's comfortable. It's modular. It's good looking. You will love it.

FEATURES The Tikka inlet accepts T3, T3x, and CTR versions (basically all short action caliber T3 variants). Tikka rifles accept AICS pattern mags with the exception of the Magpul AICS polymer mags.

# Safety Instruction Guide for BRAVO CHASSIS FOR TIKKA T3X

## Introduction

Thank you for choosing the BRAVO CHASSIS FOR TIKKA T3X by KINETIC RESEARCH GROUP. This guide provides important safety information and instructions to ensure the proper and safe use of your product. Please read this guide thoroughly before using the chassis.

## General Safety Guidelines

- Ensure that the BRAVO CHASSIS is used only for its intended purpose.
- Always handle firearms with care and follow standard safety practices.
- Keep the chassis and all related accessories out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of damage or wear.
- Do not modify the chassis or use noncompatible accessories that may compromise safety.
- Be aware of your surroundings and ensure a safe environment when using firearms.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye and ear protection, when handling firearms.
- Ensure that the firearm is unloaded before installing or adjusting the chassis.
- Follow manufacturer instructions for the installation of any accessories.
- Be cautious of the weight of the chassis; ensure that your shooting setup can support it.
- Use only AICS pattern magazines that are compatible with the Tikka models specified.
- If you experience any issues with the chassis, cease use immediately and consult a professional.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure that your workspace is clean and free of distractions. Gather all necessary tools.
2. **Remove the Existing Stock:** Unload your firearm and carefully remove the existing stock according to the manufacturer's guidelines.
3. **Install the Bravo Chassis:**
  - Align the action of the rifle with the bedding area of the chassis.
  - Secure the action using the provided screws, ensuring they are tightened to the specified torque settings.
  - Install any additional accessories as per the manufacturer's instructions.

### Usage

1. **Loading the Firearm:**
  - Use only compatible AICS magazines as specified.
  - Ensure the magazine is securely inserted before chambering a round.
2. **Adjusting the Chassis:**
  - Utilize the ergonomic adjustments to fit the chassis to your frame.
  - Make adjustments gradually and test for comfort and stability before use.
3. **Shooting:**

- Always ensure the firearm is pointed in a safe direction.
- Follow all standard shooting practices and be aware of your environment.

## **Disposal Instructions**

- Dispose of the BRAVO CHASSIS in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- Consider recycling the chassis if possible, or consult local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries, product support, or to report unsafe products, please refer to the official EU Safety Gate platform or contact your local authorities.

Thank you for your attention to these safety guidelines. Your safety and the safety of others are of utmost importance. Enjoy your shooting experience with the BRAVO CHASSIS FOR TIKKA T3X!
