

BRAVO CHASSIS FOR TIKKA T3X - KINETIC RESEARCH GROUP

BRAVO CHASSIS FOR TIKKA T3X FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Looks Cool, But Performs Too

KINETIC RESEARCH GROUP BRAVO CHASSIS FOR TIKKA T3X The Bravo is one of the most comfortable stocks available but that's just the beginning. The price will make you and your wallet smile so that's a double bonus right there.

The precisely machined bedding area will put your action in its happy place nearly like it was custom bedded in there. The full length stiff aluminum backbone will not allow the forend to flex on you but does allow design modularity with loads of accessories and even other KRG chassis. The ergonomic adjustments are just what you need to fit your frame so you can pull off the difficult shots. Of course it takes AICS mags right out of the box. It's light. It's comfortable. It's modular. It's good looking. You will love it.

FEATURES The Tikka inlet accepts T3, T3x, and CTR versions (basically all short action caliber T3 variants). Tikka rifles accept AICS pattern mags with the exception of the Magpul AICS polymer mags.

Safety Instruction Guide for BRAVO CHASSIS FOR TIKKA T3X

Introduction

Thank you for choosing the KINETIC RESEARCH GROUP BRAVO CHASSIS FOR TIKKA T3X. This guide provides important safety information and instructions to ensure the safe use of this product. Please read this document carefully before using the chassis to maximize safety and performance.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the chassis for any signs of wear or damage.
- Keep the chassis out of reach of children and vulnerable individuals.
- Always follow local laws and regulations regarding firearm accessories.
- In case of any doubts or questions, consult a qualified professional.

Specific Safety Precautions for Use

- The Bravo Chassis is designed for Tikka T3, T3x, and CTR models. Ensure compatibility before use.
- Do not exceed the manufacturer's specified weight limit for accessories attached to the chassis.
- Use only AICS pattern magazines, excluding Magpul AICS polymer magazines, as specified.
- Avoid using the chassis in extreme weather conditions that may affect its performance.
- Always ensure that the action is unloaded before installation or maintenance.

Instructions for Installation and Usage

Installation Steps

1. **Preparation:** Gather all necessary tools and ensure you have a clean, welllit workspace.
2. **Remove the Existing Stock:**
 - Ensure the rifle is unloaded.
 - Use appropriate tools to remove the existing stock from the Tikka rifle.
3. **Install the Bravo Chassis:**
 - Align the action with the bedding area of the chassis.
 - Secure the action using the provided screws, ensuring a snug fit.
4. **Attach Accessories:**
 - Follow the manufacturer's instructions for any additional accessories.
 - Ensure all attachments are secure and do not interfere with the operation of the rifle.
5. **Final Check:**
 - Inspect the installation to ensure everything is aligned and secure.
 - Perform a safety check to ensure the rifle is functioning correctly.

Usage Guidelines

- Adjust the ergonomic features of the chassis to fit your body frame for optimal comfort.
- Practice safe handling of the rifle at all times, treating it as if it is loaded.
- Familiarize yourself with the operation of the chassis and associated accessories before use.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations.
- If the chassis is damaged or no longer in use, consider recycling components where possible.

- Do not dispose of the product in household waste.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the BRAVO CHASSIS FOR TIKKA T3X, please refer to the manufacturer's website or contact your local dealer. They can provide additional guidance and support.

By following these safety instructions and guidelines, you will ensure a safe and enjoyable experience with your KINETIC RESEARCH GROUP BRAVO CHASSIS FOR TIKKA T3X. Thank you for your attention to safety!
