## **BRAVO CHASSIS FOR TIKKA T3X SAKO GREEN**

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

### **Looks Cool, But Performs Too**

KINETIC RESEARCH GROUP BRAVO CHASSIS FOR TIKKA T3X The Bravo is one of the most comfortable stocks available but that's just the beginning. The price will make you and your wallet smile so that's a double bonus right there.

The precisely machined bedding area will put your action in its happy place nearly like it was custom bedded in there. The full length stiff aluminum backbone will not allow the forend to flex on you but does allow design modularity with loads of accessories and even other KRG chassis. The ergonomic adjustments are just what you need to fit your frame so you can pull off the difficult shots. Of course it takes AICS mags right out of the box. It's light. It's comfortable. It's modular. It's good looking. You will love it.

FEATURES The Tikka inlet accepts T3, T3x, and CTR versions (basically all short action caliber T3 variants). Tikka rifles accept AICS pattern mags with the exception of the Magpul AICS polymer mags.

# Safety Instructions for the BRAVO CHASSIS FOR TIKKA T3X

## Introduction

Thank you for choosing the BRAVO CHASSIS FOR TIKKA T3X by Kinetic Research Group. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read through this document carefully to understand how to handle and care for your chassis.

## General Safety Guidelines

- **Product Safety:** This chassis is designed for safe use in accordance with EU safety regulations. Always ensure that the product is used as intended.
- **Enhanced Recalls:** In the event of a safety issue, recall notices will be issued. Stay informed about any recalls that may affect your product.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety standards equivalent to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is kept out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point provided by the retailer.
- **Rapid Alerts:** Stay updated on product safety alerts through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Use Only as Intended:** The BRAVO CHASSIS is designed for specific models of Tikka rifles (T3, T3x, and CTR). Ensure compatibility before use.
- **Check for Damage:** Inspect the chassis for any signs of damage prior to installation. Do not use if damaged.
- **Proper Handling:** Handle the chassis with care. Avoid dropping or applying excessive force during use.
- **Secure Installation:** Ensure that the chassis is securely installed on the rifle to prevent accidents during operation.
- **Follow Manufacturer Instructions:** Always follow the installation and usage instructions provided by the manufacturer.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your rifle is unloaded and pointed in a safe direction.
- Remove the existing stock from your Tikka rifle according to the manufacturer's instructions.
- Align the action of your Tikka rifle with the bedding area of the BRAVO CHASSIS.
- Secure the action in place using the provided screws, ensuring a snug fit without overtightening.
- Attach any additional accessories as desired, following the manufacturer's guidelines.

### 2. Usage:

- Always ensure the rifle is in a safe condition before handling.
- Use AICS pattern magazines for optimal performance. Avoid using incompatible magazines.
- Adjust the chassis to fit your frame comfortably, ensuring that all adjustments are secure before use.
- Practice safe shooting habits, including proper stance and awareness of your surroundings.

## Disposal Instructions

- **Disposal of the Chassis:** When the chassis reaches the end of its life cycle, dispose of it in accordance with local regulations. Do not dispose of it in regular household waste.
- **Recycling:** If possible, recycle the chassis materials to minimize environmental impact. Check local recycling guidelines for metal and plastic components.

## Contact Information for Further Support

For further support, please refer to the contact information provided by the retailer or manufacturer. They can assist you with any questions or concerns regarding the BRAVO CHASSIS FOR TIKKA T3X.

By adhering to these safety instructions, you can ensure a safe and enjoyable experience with your BRAVO CHASSIS FOR TIKKA T3X. Thank you for your attention to safety.
