# STOP Safety Instruction Guide

## Introduction

Thank you for choosing the Barrier Stop, a versatile device designed to enhance your positional shooting experience from a barrier. This guide provides essential safety instructions, installation procedures, and usage recommendations to ensure a safe and effective experience.

## General Safety Guidelines

- Always ensure that the Barrier Stop is securely mounted before use.
- Regularly inspect the device for any signs of wear or damage.
- Do not use the Barrier Stop if it appears to be damaged or malfunctioning.
- Keep the device out of reach of children and vulnerable individuals.
- Always follow local laws and regulations regarding the use of shooting accessories.

## Specific Safety Precautions for Use

- Ensure that the area around you is clear of obstacles and bystanders before using the Barrier Stop.
- Use the Barrier Stop only with compatible chassis, specifically the Whiskey3 Chassis (all generations) and Xray Chassis.
- When positioning the Barrier Stop, choose the convex side that best suits your shooting needs, ensuring it is facing forward.
- Maintain a firm grip on your firearm while using the Barrier Stop to prevent accidents.
- Be aware of your surroundings and ensure that your shooting direction is safe and appropriate.

## Instructions for Installation and Usage

### Installation

1. **Select Position:** Identify the desired mounting location on the bottom of the forend of your Whiskey3 or Xray Chassis.
2. **Secure Mounting:** Attach the Barrier Stop using the appropriate hardware (not included) to ensure a secure fit.
3. **Choose Side:** Decide which side of the Barrier Stop (convex or less convex) will face forward based on your shooting preference.
4. **Check Stability:** After installation, ensure that the Barrier Stop is stable and securely mounted.

### Usage

1. **Positioning:** When preparing to shoot, position yourself behind the barrier and rest your firearm on the Barrier Stop.
2. **Adjusting Grip:** Adjust your grip on the firearm for comfort and stability while aiming.
3. **Shooting:** Fire your weapon only when it is safe to do so, ensuring that your shooting direction is clear of any hazards.

## Disposal Instructions

- Dispose of the Barrier Stop in accordance with local regulations regarding aluminum waste.
- Do not dispose of the product in regular household waste.

- Consider recycling the product if possible, as it is made from 6061 aluminum.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the Barrier Stop, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the Barrier Stop!
