## SAFETY INSTRUCTIONS

### Introduction

Thank you for choosing the BARRIER MULTITOOLS KINETIC RESEARCH GROUP STANDARD BARRIER MULTITOOL. This tool is designed for competitive shooters and packed with features to assist you in various shooting scenarios. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

### General Safety Guidelines

- Always use the tool as intended and according to the instructions provided.
- Ensure that the tool is in good condition before each use.
- Store the tool in a safe place, out of reach of children and unauthorized users.
- Regularly check for wear and tear, and replace any damaged parts immediately.
- Follow all local laws and regulations regarding the use of shooting tools and accessories.

### Specific Safety Precautions for Use

- Use the BARRIER MULTITOOL only in suitable environments. Avoid using it in wet or unstable conditions.
- When mounting the tool, ensure that it is securely fastened to prevent accidental detachment during use.
- Be aware of your surroundings when using the tool to avoid injury to yourself and others.
- Do not use the tool for any purpose other than its intended use as a multitool for shooting applications.
- If you experience any discomfort or notice any irregularities while using the tool, stop using it immediately and consult a professional.

### Instructions for Installation and Usage

#### 1. Mounting the Tool:

- The BARRIER MULTITOOL can be mounted in various positions on KRG forends and compatible chassis.
- Use the Magpul MOE L2 hole spacing (1.190") for secure attachment.
- If using the optional ball detent pin, ensure it is properly installed for stability.

#### 2. Using the Tool:

- Familiarize yourself with the four different faces of the tool: Curved, Flat, Vshaped, and Curved plus grooved.
- Select the appropriate face based on the shooting scenario and your requirements.
- Ensure that the tool is positioned correctly before use to maximize functionality.

#### 3. Maintenance:

- Clean the tool regularly to maintain performance. Use a dry cloth to remove dirt and debris.
- Inspect the tool for any signs of damage or wear. Replace any worn components promptly.

### Disposal Instructions

- Dispose of the BARRIER MULTITOOL in accordance with local regulations regarding plastic materials.
- Do not dispose of the tool in regular household waste. Check for recycling options in your area.
- If the tool is damaged beyond repair, ensure that it is disposed of safely to prevent any potential hazards.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the BARRIER MULTITOOLS KINETIC RESEARCH GROUP STANDARD BARRIER MULTITool, please refer to the manufacturer's contact information provided with your purchase.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our priorities. Enjoy using your BARRIER MULTITool responsibly!
