# Safety Instruction Guide for WHISKEY 3 GEN 5+ REPLACEMENT FOREND

## Introduction

Thank you for choosing the WHISKEY 3 GEN 5+ REPLACEMENT FOREND by KINETIC RESEARCH GROUP. This guide provides important safety instructions, general guidelines, and specific precautions to ensure safe and effective use of the product. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Ensure the forend is compatible with your Remington 700 Short Action (SA) model before installation.
- Always inspect the forend for any damage or defects before use. Do not use if damaged.
- Keep the forend and all related components out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the use of firearm accessories.
- Be aware of your surroundings when handling firearms and accessories to avoid accidents.

## Specific Safety Precautions for Use

- Do not exceed the recommended weight limits of the forend to prevent failure during use.
- Ensure that all mounting points are securely fastened before using the firearm.
- Avoid using the forend in wet or slippery conditions to maintain grip and control.
- Use the QD mount point only with compatible accessories to ensure safety.
- Regularly check for wear and tear on the forend and replace it if necessary.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the existing forend from your Remington 700 SA by unscrewing the mounting screws.
- Align the WHISKEY 3 forend with the mounting points on the firearm.
- Securely attach the forend using the provided screws and ensure they are tightened properly.
- Check that the forend is firmly in place before proceeding to use the firearm.

### 2. Usage:

- Familiarize yourself with the forend's features, including the builtin QD mount point and barrier stop.
- When using the firearm, maintain a proper grip on the forend to ensure stability and control.
- If utilizing the barrier stop feature, ensure it is positioned correctly to prevent interference with the magazine.

## Disposal Instructions

- Dispose of the forend and any packaging materials in accordance with local regulations.
- Do not incinerate the forend, as it may release harmful substances.
- If the forend is damaged or no longer needed, consider recycling it if possible.

## Contact Information for Further Support

For any inquiries regarding the WHISKEY 3 GEN 5+ REPLACEMENT FOREND, please refer to the manufacturer's website or contact their support team directly.

## Conclusion

By following these safety instructions and guidelines, you can ensure the safe use of your WHISKEY 3 GEN 5+ REPLACEMENT FOREND. Always prioritize safety and remain informed about best practices for firearm accessories. Thank you for your attention to these important safety measures.
