

LARGE GRIP PANEL SETS - KINETIC RESEARCH GROUP REMINGTON 700 LARGE GRIP PANELS BLACK

[Rifle Parts](#) > [Stock Parts](#) > [Furniture Sets](#)

Big Grip for Big Hands

For those with larger sized hands, these grips are the way to go. A large palm swell and ergonomic shape make for one of the most, if not the single most comfortable stocks available. These grips were what came on the generation 1 and 2 Whiskey-3 Chassis as it shipped and bolt directly onto those generations. They bolt directly onto the Gen 3 and 4 chassis and the X-ray Chassis as well using the included spacer. Includes both right and left grip panels plus the needed spacer.

Safety Instruction Guide for LARGE GRIP PANEL SETS

Introduction

Thank you for choosing the LARGE GRIP PANEL SETS by KINETIC RESEARCH GROUP. These grips are designed for individuals with larger hands, providing comfort and an ergonomic fit. This guide outlines important safety instructions and precautions to ensure safe usage and installation of your product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the grips are compatible with your specific model (Remington 700).
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the grips for any signs of wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use the grips only for their intended purpose as specified in the product description.
- Do not modify or alter the grips in any way, as this may compromise safety.
- Ensure that the grips are securely attached to the chassis before use.
- Avoid using the product in wet or slippery conditions to prevent loss of grip.
- If you experience any discomfort while using the grips, discontinue use immediately.

Instructions for Installation and Usage

1. Installation:

- Gather all necessary tools (screwdriver, included spacer).
- Ensure the firearm is unloaded and safe to handle.
- Remove the existing grip panels from the chassis.
- Align the new LARGE GRIP PANELS with the mounting points on the chassis.
- Insert the screws and tighten them securely using the screwdriver.
- If installing on Gen 3 and 4 chassis or Xray Chassis, use the included spacer as needed.

2. Usage:

- Grip the panels firmly with your hands, ensuring a comfortable hold.
- Practice safe handling of the firearm at all times.
- Regularly check the tightness of the grip panels during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the grips in household waste.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any inquiries regarding safety or product support, please reach out to the designated contact point provided with your product packaging or visit the official website of KINETIC RESEARCH GROUP.

Thank you for your attention to these safety instructions. Your safety is our priority. Enjoy your experience with the LARGE GRIP PANEL SETS!
