

# TOOL-LESS BUTTPAD HEIGHT KIT - KINETIC RESEARCH GROUP X-RAY CHASSIS TOOL-LESS BUTTPAD HEIGHT KIT

[Shooting Accessories](#) > [Recoil Parts](#) > [Recoil Pads](#) > [Rifle](#)

## No Wrenches Needed

Tool-less Buttpad Height Mechanism: With this assembly, you can add tool-less buttpad height and cant functionality to some KRG chassis that did not come with it already. With the tool-less adjustment, it's easy to lower the buttpad to get a cleaning rod down the bore or to adjust the buttpad when transitioning between different shooting positions such as seated to prone for example. The buttpad mount plate is upgraded to the Whiskey-3 version which has ample set positions for height plus positions for 15 degrees of cant each way. Fits: The following KRG chassis (each chassis has its own version of the mechanism): X-ray, Bravo, 180-Alpha Restrictions: Does not come with new buttpad, use your existing buttpad

## Attributes

# TOOLLESS BUTTPAD HEIGHT KIT SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Toolless Buttpad Height Kit from Kinetic Research Group. This product is designed to enhance the functionality of your KRG chassis by allowing easy adjustments to the buttpad height and cant. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

To ensure your safety and the safety of others, please adhere to the following general safety guidelines:

- Always handle the product with care to avoid injury.
- Ensure that the product is installed and used according to the instructions provided.
- Regularly check the product for any signs of wear or damage.
- Use only compatible buttpads as specified in the product documentation.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or product defects to the appropriate authorities.

## Specific Safety Precautions for Use

When using the Toolless Buttpad Height Kit, please observe the following safety precautions:

- **Installation Safety:** Ensure that the chassis is stable and secure before installing the kit.
- **Adjustment Safety:** Avoid adjusting the buttpad while the firearm is loaded or in use.
- **Weight Limit:** Do not exceed the weight limit specified for the buttpad and chassis combination.
- **Environmental Conditions:** Avoid using the product in extreme temperatures or wet conditions that could affect its performance.
- **Cleaning and Maintenance:** Clean the product with a dry cloth and avoid using harsh chemicals that may damage the components.

## Instructions for Installation and Usage

Follow these steps to install and use the Toolless Buttpad Height Kit safely and effectively:

### 1. Preparation:

- Ensure you have the necessary tools for installation (if required).
- Read all instructions thoroughly before beginning the installation process.

### 2. Installation:

- Remove the existing buttpad from your KRG chassis if applicable.
- Align the buttpad mount plate of the Toolless Buttpad Height Kit with the mounting points on your chassis.
- Secure the mount plate according to the instructions provided, ensuring all screws are tightened properly.
- Reattach your existing buttpad to the mount plate.

### 3. Adjustment:

- To adjust the height, loosen the adjustment mechanism and slide the buttpad to the desired position.

- For cant adjustments, rotate the buttpad to the desired angle and secure it in place.
- Make sure to check that the buttpad is securely fastened before use.

#### **4. Final Check:**

- After installation and adjustment, perform a final check to ensure everything is secure and functioning correctly.
- Always verify the adjustments before using the firearm.

## **Disposal Instructions**

When disposing of the Toolless Buttpad Height Kit, follow these guidelines:

- Do not dispose of the product in regular household waste.
- Check local regulations for proper disposal methods of aluminum and other materials.
- Consider recycling the components wherever possible to reduce environmental impact.

## **Contact Information for Further Support**

For further assistance or inquiries regarding the Toolless Buttpad Height Kit, please refer to the manufacturer's contact information included in the product documentation.

Thank you for your attention to these safety instructions. Enjoy the enhanced functionality of your KRG chassis with the Toolless Buttpad Height Kit!
