

# TOOL-LESS BUTTPAD HEIGHT KIT - KINETIC RESEARCH GROUP BRAVO CHASSIS TOOL-LESS BUTTPAD HEIGHT KIT

[Shooting Accessories](#) > [Recoil Parts](#) > [Recoil Pads](#) > [Rifle](#)

## No Wrenches Needed

Tool-less Buttpad Height Mechanism: With this assembly, you can add tool-less buttpad height and cant functionality to some KRG chassis that did not come with it already. With the tool-less adjustment, it's easy to lower the buttpad to get a cleaning rod down the bore or to adjust the buttpad when transitioning between different shooting positions such as seated to prone for example. The buttpad mount plate is upgraded to the Whiskey-3 version which has ample set positions for height plus positions for 15 degrees of cant each way. Fits: The following KRG chassis (each chassis has its own version of the mechanism): X-ray, Bravo, 180-Alpha Restrictions: Does not come with new buttpad, use your existing buttpad

## Attributes

# TOOLLESS BUTTPAD HEIGHT KIT SAFETY INSTRUCTIONS

## Introduction

Thank you for purchasing the Toolless Buttpad Height Kit from Kinetic Research Group. This product is designed to enhance the functionality of your KRG chassis by allowing toolless adjustments for buttpad height and cant. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- **Product Safety:** Always ensure safe use of the Toolless Buttpad Height Kit. Follow all instructions and guidelines provided in this manual.
- **Enhanced Recalls:** In the event of a product recall, you will be notified through standardized notices. Ensure you have registered your product for updates.
- **Online Shopping:** If purchased online, verify that the seller complies with safety requirements as mandated by EU regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is stored out of their reach.
- **EU Contact Point:** For any safety inquiries, please refer to the EU-based contact points provided by the manufacturer.
- **Rapid Alerts:** Stay informed about product safety updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Risk of Injury:** Improper use or installation of the buttpad height kit may result in injury. Always follow the installation instructions carefully.
- **Compatibility:** Ensure that the kit is compatible with your specific KRG chassis model (Xray, Bravo, 180Alpha) before installation.
- **Existing Buttpad:** This kit does not include a new buttpad. Use your existing buttpad and ensure it is in good condition before installation.
- **Adjustment Mechanism:** When adjusting the buttpad height or cant, do so slowly and carefully to avoid sudden movements that may lead to accidents.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and ensure you have your existing buttpad.
- Read through the entire installation process before starting.

### 2. Installation:

- Remove the existing buttpad from your KRG chassis.
- Align the Toolless Buttpad Height Kit mount plate with the chassis.
- Secure the mount plate according to the provided instructions, ensuring all screws are tightened properly.
- Attach your existing buttpad to the new mount plate.
- Test the adjustment mechanism to ensure it operates smoothly.

### 3. Usage:

- To adjust the buttpad height, simply loosen the adjustment knob and slide the buttpad to the

desired height.

- For cant adjustments, turn the knob to achieve the desired angle, ensuring it is locked in place before use.
- Regularly check the tightness of the adjustment mechanisms to ensure safety during use.

## Disposal Instructions

- **Environmental Considerations:** Dispose of any packaging materials responsibly and in accordance with local regulations.
- **Product Disposal:** When the Toolless Buttpad Height Kit reaches the end of its life, dispose of it in accordance with local electronic waste disposal guidelines. Do not dispose of it in regular household waste.

## Contact Information for Further Support

For further support, please refer to the manufacturer's website or contact the designated EU contact point for assistance with safety inquiries or product issues.

Thank you for choosing the Toolless Buttpad Height Kit. We hope it enhances your shooting experience safely and effectively.
