

# BRAVO CHASSIS HOOK-STYLE COVER - KINETIC RESEARCH GROUP

## BRAVO HOOK-STYLE COVER FDE

[Rifle Parts](#) > [Stock Parts](#) > [Stock Hardware](#) > [Adapter](#)

### Convert Your Bravo Chassis to the Rear Hook Configuration

The Hook style cover fits your Bravo chassis and covers the opening in the bottom of the buttstock. This is for when you want to use the rear hook configuration. This replaces the angled surface cover that comes standard on the Bravo Chassis and attaches with one screw. Fits: Bravo Chassis all inlets

# BRAVO CHASSIS HOOKSTYLE COVER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the BRAVO CHASSIS HOOKSTYLE COVER by KINETIC RESEARCH GROUP. This product is designed to enhance the functionality of your Bravo chassis by providing a secure cover for the rear hook configuration. Please read these safety instructions carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified by the manufacturer.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage. Do not use if damaged.
- Follow all local regulations regarding the use and storage of accessories related to firearms.
- In case of an emergency or accident, report to the appropriate authorities immediately.

## Specific Safety Precautions for Use

- Always ensure the Bravo chassis is unloaded before installing or removing the hookstyle cover.
- Use caution when handling tools required for installation to avoid injury.
- Ensure that the cover is securely attached before use to prevent accidental detachment.
- Do not modify the hookstyle cover or the Bravo chassis in any way that could compromise safety.
- If you experience any difficulties during installation or usage, cease use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Gather the necessary tools, including a screwdriver suitable for the screw provided with the cover.
- Ensure the Bravo chassis is in a safe, stable position.
- Remove the existing angled surface cover by unscrewing it carefully.
- Align the hookstyle cover with the opening in the bottom of the buttstock.
- Secure the hookstyle cover by tightening the screw until it is snug. Do not overtighten, as this may damage the cover or chassis.

### 2. Usage Instructions:

- After installation, check to ensure the hookstyle cover is firmly in place.
- When using the rear hook configuration, ensure that all components are functioning correctly and securely attached.
- Regularly inspect the attachment of the hookstyle cover to ensure it remains secure during use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for plastic materials.
- Do not dispose of the product in fire, as it may release harmful substances.
- If the product is damaged beyond use, please ensure it is disposed of safely to prevent environmental harm.

## **Contact Information for Further Support**

For any questions or concerns regarding the BRAVO CHASSIS HOOKSTYLE COVER, please contact the manufacturer directly. Ensure to have your product details ready for efficient support.

Thank you for your attention to these safety instructions, and enjoy using your BRAVO CHASSIS HOOKSTYLE COVER safely and responsibly.
