Safety Instruction Guide for BRAVO CHASSIS HOOKSTYLE COVER

Introduction

Thank you for choosing the BRAVO CHASSIS HOOKSTYLE COVER in Sako Green. This product is designed to enhance your Bravo chassis by covering the opening in the bottom of the buttstock when using the rear hook configuration. To ensure your safety and the proper use of this product, please read this guide thoroughly.

General Safety Guidelines

- Ensure that the product is installed correctly to avoid any potential hazards.
- Regularly inspect the cover for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to relevant authorities.
- Stay informed about any recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not use the cover if it shows visible signs of damage or wear.
- Ensure that the screw securing the cover is tightened properly to prevent it from detaching during use.
- Avoid exposing the product to extreme temperatures or harsh chemicals that may compromise its integrity.
- Use only with the Bravo chassis as intended; do not attempt to modify or adapt the cover for other uses.

Instructions for Installation and Usage

1. Installation

- Remove the existing angled surface cover from the Bravo chassis.
- Align the BRAVO CHASSIS HOOKSTYLE COVER over the opening at the bottom of the buttstock.
- Secure the cover in place with the provided screw, ensuring it is tightened firmly but not overtightened.

2. Usage

- Once installed, ensure that the cover is secure before using the chassis.
- Regularly check the installation to ensure that the cover remains in place during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations for plastic waste.
- Do not incinerate the product as it may release harmful substances.
- Consider recycling options where available to minimize environmental impact.
