

# LITTLE BROTHER PACK - EBERLESTOCK LITTLE BROTHER PACK-MULTICAM

[Emergency & Survival Gear](#) > [Backpacks & Bags](#) > [Backpacks](#)

## Pairs Well With Firearm-Transport Gear

The Eberlestock Little Brother Pack is the perfect companion for a rifle bag or other heavy gear, giving back country hunters or military operators a support pack that doesn't add extra bulk to a heavy gear load. The Eberlestock Little Brother Pack can be paired with the company's A4SS Tactical Weapon Carrier for a total fight-ready loadout. The bag also allows for top and front loading, along with 6 liters of hydration storage, as well as a rack designed for PRC-117 military radios. MOLLE-compatible webbing rounds out the bag. Provides 1,800 cubic inches of storage space Comes in coyote brown or military green  
Total weight: 4 pounds For back country hunters, the company notes that the Eberlestock Little Brother Pack is not designed for hiking heavy meat loads from hunting grounds without the use of the AGIF Endo Frame.

# Eberlestock Little Brother Pack Safety Instructions

## Introduction

Thank you for choosing the Eberlestock Little Brother Pack. This guide provides important safety information and instructions to ensure the safe and effective use of your pack. Please read this guide thoroughly before use.

## General Safety Guidelines

- Ensure that the pack is used only for its intended purpose as a support pack for carrying gear.
- Inspect the pack regularly for any signs of wear or damage.
- Avoid overloading the pack beyond its capacity of 1,800 cubic inches and 4 pounds.
- Keep the pack away from open flames or sharp objects that may cause damage.
- Store the pack in a cool, dry place when not in use.

## Specific Safety Precautions for Use

- Use the pack only with compatible accessories, such as the A4SS Tactical Weapon Carrier.
- Ensure that all straps and buckles are securely fastened before use.
- When loading the pack, distribute the weight evenly to maintain balance.
- Avoid using the pack for hiking heavy meat loads without the AGIF Endo Frame.
- Be cautious when using hydration storage; ensure the hydration system is properly sealed to prevent leaks.

## Instructions for Installation and Usage

### 1. Loading the Pack:

- Open the top and front loading compartments.
- Place your gear inside, ensuring even weight distribution.
- Secure all items with the internal straps.

### 2. Hydration Storage:

- Fill the hydration reservoir with clean water.
- Ensure the cap is tightly sealed before placing it back in the hydration compartment.
- Check for leaks before using the hydration system.

### 3. Using MOLLECompatible Webbing:

- Attach compatible MOLLE accessories securely to the webbing.
- Ensure that attachments do not interfere with the pack's structure or loading.

### 4. Carrying the Pack:

- Adjust the shoulder straps for a comfortable fit.
- Use the chest strap for added stability.
- When carrying heavy loads, take regular breaks to avoid fatigue.

## Disposal Instructions

- Dispose of the pack responsibly according to local regulations.

- If the pack is damaged beyond repair, consider recycling materials where possible.
- Do not burn the pack as it may release harmful substances.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the contact information provided with your product packaging.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Eberlestock Little Brother Pack. Thank you for your attention to safety.
