Safety Instruction Guide for the Real Avid 4in1 Tool for Glock®

Introduction

Thank you for choosing the Real Avid 4in1 Tool for Glock®. This tool is designed to provide Glock® owners with a versatile and efficient means to perform maintenance and modifications. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always use the tool in accordance with the manufacturer's instructions.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool before each use to ensure it is in good working condition.
- Do not use the tool for purposes other than those specified by the manufacturer.
- Store the tool in a safe and dry place when not in use.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Pin Removal:** Ensure that the firearm is unloaded and pointed in a safe direction before attempting to remove pins.
- **Sight Changes:** Use caution when changing sights; ensure that all components are securely fastened after installation.
- **Slide Lock Spring and Locking Block:** Be aware of spring tension when removing and reinstalling these components.
- **Adjusting Rear Sights:** Make small adjustments gradually; check alignment frequently to avoid overadjusting.
- **Wear Safety Gear:** Consider wearing safety glasses to protect your eyes from small components that may spring loose during use.

Instructions for Installation and Usage

1. **Preparation:** Ensure that your Glock® firearm is unloaded and in a safe condition before beginning any maintenance.
2. **Pin Removal:**
 - Locate the appropriate tool within the handle of the 4in1 Tool.
 - Press the button to release the tool, and use it to remove the necessary pins.
3. **Changing Front Sights:**
 - Select the front sight tool.
 - Carefully remove the existing front sight and replace it with the new one, ensuring it is secured properly.
4. **Removing Slide Lock Spring and Locking Block:**
 - Use the designated tool to carefully disengage the slide lock spring.
 - Remove the locking block with caution, ensuring no parts are damaged.
5. **Adjusting Aftermarket Rear Sights:**
 - Use the appropriate tool to make adjustments to the rear sights.
 - Make minor adjustments and verify alignment after each change.
6. **Final Checks:** After completing all tasks, doublecheck that all components are securely in place before handling the firearm.

Disposal Instructions

- Dispose of the tool responsibly, adhering to local regulations regarding the disposal of tools and materials.
- Consider recycling the tool if it is no longer functional, ensuring that all components are disposed of in an environmentally friendly manner.

Contact Information for Further Support

For any questions or concerns regarding the Real Avid 4in1 Tool for Glock®, please refer to the manufacturer's website or contact your local authorized dealer for assistance.

Thank you for your attention to these safety guidelines. Enjoy using your Real Avid 4in1 Tool for Glock® responsibly and safely.
