Stubborn Pins? No Problem.

ACCU-PUNCH® HAMMER & ROLL PIN PUNCH SET The Real Avid Accu-Punch® Hammer & Roll Pin Punch Set is a comprehensive toolkit designed to facilitate the safe and efficient removal and installation of roll pins in firearms. This set combines ergonomic design with high-quality materials to ensure precision and control during gunsmithing tasks.

Description and Features:

Ergonomic Hammer: The set includes a perfectly balanced hammer with a rubberized, ergonomic grip, providing comfortable handling and precise control. The hammer comes with four interchangeable heads—rubber, brass, steel, and nylon—allowing Customers to select the appropriate material for specific tasks, minimizing the risk of marring or damaging firearm components.

Comprehensive Punch Selection: The kit offers a range of roll pin punches essential for firearm maintenance: Roll Pin Punches: 1/16", 5/64", 3/32", 1/8", 9/64", 5/32", 3/16", 7/32", 1/4" Pin Alignment Tool: A proprietary pin alignment tool simplifies the process of starting tiny pins, ensuring accurate and frustration-free installation.

Organized Storage: All components are housed in a modern, stand-up case that keeps tools organized and easily accessible.

Specifications: Hammer: Ergonomic design with four interchangeable heads (rubber, brass, steel, nylon). Roll Pin Punches: 1/16", 5/64", 3/32", 1/8", 9/64", 5/32", 3/16", 7/32", 1/4". Additional Tool: Pin alignment tool for precise pin installation.

Case: Stand-up design for organized storage.

Customer Insights: Our customers report that the Real Avid Accu-Punch® Hammer & Roll Pin Punch Set is an invaluable addition to their gunsmithing toolkit. The ergonomic hammer and variety of punch sizes cater to a wide range of tasks, while the pin alignment tool simplifies the installation of small pins. Customers appreciate the organized stand-up case, which keeps tools readily accessible and neatly stored. Incorporating the Real Avid Accu-Punch® Hammer & Roll Pin Punch Set into your gunsmithing toolkit ensures you have the specialized tools necessary for efficient and precise firearm assembly and maintenance.

Consumer Safety Instruction Guide for ACCUPUNCH® HAMMER & ROLL PIN PUNCH SET

Introduction

Thank you for choosing the ACCUPUNCH® HAMMER & ROLL PIN PUNCH SET by Real Avid. This toolkit is designed to facilitate the safe and efficient removal and installation of roll pins in firearms. To ensure your safety and the proper use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product documentation.
- Always inspect the tools before use for any signs of damage or wear.
- Keep the toolkit out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE), such as safety goggles and gloves, when using the tools.
- Store the toolkit in a cool, dry place to prevent damage to the tools and ensure longevity.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

• Hammer Usage:

- Always use the hammer with the appropriate interchangeable head for the task at hand.
- Do not use excessive force when striking to avoid damaging the tool or the workpiece.
- Ensure that your hands are clear of the striking area to prevent injury.

• Roll Pin Punches:

- Use the correct size punch for the roll pin being installed or removed.
- Align the punch properly before striking to prevent bending or breaking the punch.
- Avoid using damaged punches, as they can cause injury or further damage to the workpiece.

• Pin Alignment Tool:

- Use the pin alignment tool to simplify the process of starting tiny pins.
- Ensure that the tool is positioned correctly before applying force.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools from the ACCUPUNCH® HAMMER & ROLL PIN PUNCH SET.
- Ensure your workspace is clean and welllit.

2. Using the Hammer:

- Select the appropriate head for your task (rubber, brass, steel, or nylon).
- Secure the workpiece in a stable position.
- Hold the hammer firmly by the ergonomic grip and strike the punch gently until the roll pin is seated or removed.

3. Using the Roll Pin Punches:

- Choose the correct size roll pin punch.
- Place the punch at the center of the roll pin.
- Strike the punch with the hammer to drive the pin in or out, ensuring proper alignment throughout the process.

4. Using the Pin Alignment Tool:

- Position the pin alignment tool over the hole where the pin will be inserted.
- Insert the pin into the alignment tool and gently push until the pin is properly seated.

Disposal Instructions

- Dispose of any damaged or unusable tools in accordance with local regulations.
- Recycle materials where applicable, following local recycling guidelines.
- Do not dispose of tools in regular household waste.

Contact Information for Further Support

For any inquiries or support regarding the ACCUPUNCH® HAMMER & ROLL PIN PUNCH SET, please reach out to your local retailer or visit the manufacturer's website. Ensure you have the product details on hand for efficient assistance.

By following these safety instructions, you can ensure the safe and effective use of your ACCUPUNCH® HAMMER & ROLL PIN PUNCH SET. Thank you for your attention to these guidelines.
