

SMART DRIVE 90 - REAL AVID SMART DRIVE 90

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Screwdrivers & Sets](#) > [Magna-Tip Sets](#)

Driver Set for Advanced Gunsmithing

The Real Avid Smart Drive 90 is an advanced gunsmithing driver set. The main driver features a magnetic bit holder, rubber grip, jeweler's spin top & 360° LED light. Style: 87-Bits It partners with the small "close quarters" driver to create Force Assist. Force Assist is a proprietary system that helps users to loosen frozen-in-place screws as well as precisely tighten screws.

SMART DRIVE 90 Consumer Safety Instruction Guide

Introduction

Thank you for choosing the Real Avid Smart Drive 90. This advanced gunsmithing driver set is designed to enhance your tool collection with features that improve usability and efficiency. This guide provides essential safety information to ensure the safe use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the product manual before use.
- Keep the Smart Drive 90 out of reach of children and vulnerable individuals.
- Inspect the tool for any damage before each use. Do not use if damaged.
- Use the tool only for its intended purpose as described in this manual.
- Ensure the work area is clean and welllit to avoid accidents.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves.
- Do not use the tool if you are under the influence of drugs or alcohol.

Specific Safety Precautions for Use

- **Magnetic Bit Holder:**
 - Ensure bits are securely attached before use to prevent accidental detachment.
- **Rubber Grip:**
 - Maintain a firm grip while using the tool to avoid slippage.
- **Jeweler's Spin Top:**
 - Use the spin top feature carefully to maintain control during adjustments.
- **360° LED Light:**
 - Avoid shining the LED light directly into eyes or reflective surfaces.
- **Force Assist Feature:**
 - Use Force Assist only as instructed to prevent damage to screws or the tool.
 - Do not apply excessive force when loosening screws to avoid stripping.

Instructions for Installation and Usage

1. Unboxing:

- Carefully remove the Smart Drive 90 from its packaging.
- Ensure all components are present and in good condition.

2. Setting Up:

- Select the appropriate bit for your task from the set.

- Insert the bit into the magnetic bit holder securely.

3. Using the Tool:

- Hold the rubber grip firmly and position the bit over the screw.
- For loosening screws, engage the Force Assist feature by using the small “close quarters” driver as needed.
- For tightening screws, apply steady pressure while turning the driver.

4. PostUse:

- Clean the tool after use to remove any debris or residue.
- Store the tool in a dry place away from direct sunlight.

Disposal Instructions

- Dispose of the product responsibly according to your local regulations.
- Do not dispose of the tool in regular household waste.
- Check for local recycling programs that accept tools.

Contact Information for Further Support

For safety inquiries or more information about the Smart Drive 90, please refer to the official Real Avid website or contact your local distributor. Always ensure you have the latest updates regarding product recalls or safety notices.

Conclusion

Your safety is our priority. By following these guidelines, you can ensure a safe and effective experience with the Real Avid Smart Drive 90. For any concerns or questions, do not hesitate to seek further support. Thank you for choosing Real Avid!
