## Safety Instruction Guide

### Introduction

Thank you for choosing the Real Avid Smart Brushes. These brushes are designed to provide efficient and effective cleaning for your firearms. To ensure safe use and optimal performance, please read and follow these safety instructions carefully. This guide complies with the EU General Product Safety Regulation (GPSR) to protect consumers and ensure product safety.

### General Safety Guidelines

- Always use the Smart Brushes in accordance with the manufacturer's instructions.
- Inspect the brushes before each use for any signs of wear or damage. Do not use damaged brushes.
- Keep the brushes out of reach of children and pets to prevent accidental injury.
- Use the brushes only for their intended purpose—cleaning firearms.
- Avoid using the brushes on surfaces that may be damaged by scrubbing.
- If you experience any discomfort or injury while using the brushes, discontinue use immediately and seek medical advice.

### Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):**
  - Wear safety goggles to protect your eyes from debris when cleaning.
  - Use gloves to protect your hands from cleaning agents and potential sharp edges.
- **Handling Chemicals:**
  - If using cleaning solvents, ensure you are in a wellventilated area.
  - Follow the manufacturer's instructions for any cleaning chemicals used in conjunction with the brushes.
- **Storage:**
  - Store the brushes in a dry place away from direct sunlight to prevent deterioration.
  - Keep the brushes in their original packaging or a dedicated storage case when not in use.

### Instructions for Installation and Usage

- **Installation:**
  - No installation is required for the Smart Brushes. They are ready to use upon purchase.
- **Usage Instructions:**
  1. Select the appropriate brush shape for the area you wish to clean.
  2. Apply a suitable cleaning solvent to the area or directly to the brush if necessary.
  3. Use firm pressure to scrub the surface, allowing the micro bristles to penetrate and remove carbon and gunk.
  4. For hardto reach areas, utilize the integrated scrapers on the brushes to assist in cleaning.
  5. After cleaning, rinse the brushes with water and allow them to dry completely before storage.

### Disposal Instructions

- Dispose of the Smart Brushes in accordance with local regulations for household waste.
- If the brushes are damaged or no longer usable, ensure they are disposed of in a manner that prevents harm to the environment.

## **Contact Information for Further Support**

For questions or concerns regarding the Smart Brushes, please refer to the manufacturer's website or customer service resources for assistance.

By following these safety instructions, you can ensure a safe and effective cleaning experience with the Real Avid Smart Brushes. Thank you for your attention to safety, and happy cleaning!
