# MASTER CLEANING STATION Safety Instructions

## Introduction

Thank you for choosing the MASTER CLEANING STATION from Real Avid. This product is designed to enhance your AR15 cleaning experience while ensuring safety and efficiency. This guide provides essential safety instructions and guidelines for the proper use of the cleaning station.

## General Safety Guidelines

- Always read and understand all instructions before using the product.
- Ensure that the cleaning station is used in a wellventilated area.
- Keep the cleaning station out of reach of children and vulnerable individuals.
- Regularly inspect the cleaning station for any signs of damage or wear.
- Report any unsafe conditions or accidents to the relevant authorities.
- Check the EU Safety Gate platform for recall updates regarding this product.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when cleaning firearms.
- Ensure that your firearm is unloaded before beginning the cleaning process.
- Avoid using harsh chemicals that are not specifically designed for firearm cleaning.
- Do not use the cleaning station on surfaces that may be damaged by cleaning solvents.
- Keep all cleaning tools and parts organized to prevent loss and confusion during cleaning.
- Follow the manufacturer's recommendations for cleaning fluids and tools compatibility.

## Instructions for Installation and Usage

### Setting Up the Cleaning Station

1. **Unpack the Kit:** Carefully remove all items from the packaging. Ensure you have the cleaning mat, tools, and storage bag.
2. **Choose a Suitable Location:** Set up the cleaning station on a flat, stable surface away from direct sunlight and moisture.
3. **Lay Out the Cleaning Mat:** Spread the NextGen cleaning mat on the chosen surface, ensuring it is free of debris.

### Using the Cleaning Station

1. **Organize Your Tools:** Arrange the cleaning tools on the mat for easy access. Make sure to keep small parts in designated areas to avoid loss.
2. **Prepare Your Firearm:** Confirm that your AR15 is unloaded. Remove any magazines and ensure the chamber is clear.
3. **Follow Cleaning Instructions:** Refer to the included howto cleaning and maintenance instructions for detailed steps on cleaning your firearm.
4. **Maintain a Clean Workspace:** Regularly clean the mat and tools after use to ensure a safe and efficient cleaning environment.

## Disposal Instructions

- Dispose of any used cleaning materials, such as rags and solvents, in accordance with local regulations for hazardous waste.
- Recycle the cleaning station packaging materials where possible.

- Do not dispose of cleaning fluids down drains or in regular trash unless specified by local regulations.

## **Contact Information for Further Support**

For any inquiries or support regarding the MASTER CLEANING STATION, please refer to the contact details provided on the packaging or visit the manufacturer's website.

Thank you for prioritizing safety while using the MASTER CLEANING STATION. Proper care and adherence to these guidelines will ensure a safe and effective cleaning experience for your AR15.
