MASTER CLEANING STATION HANDGUN USER MANUAL

Introduction

Thank you for choosing the MASTER CLEANING STATION from Real Avid. This innovative cleaning station has been designed to provide a comprehensive cleaning solution for various caliber handguns including .22, 9mm, .357, .38, .40, and .45. This user manual contains important safety instructions and guidelines to ensure safe and effective use of the product.

General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Ensure the handgun is unloaded before cleaning.
- Keep the cleaning station and all tools out of reach of children.
- Use the cleaning tools only for their intended purpose.
- Regularly inspect the cleaning tools and mat for damage before use.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The cleaning station contains small parts that may pose a choking hazard if ingested.
 - Cleaning solvents can be harmful if inhaled or ingested. Always use in a wellventilated area.
- **Avoiding Hazards:**
 - Do not use damaged tools or components.
 - Wear protective gloves if using cleaning solvents.
 - Keep cleaning solvents away from heat sources and open flames.
 - Dispose of used cleaning materials in accordance with local regulations.

Instructions for Installation and Usage

1. Setting Up the Cleaning Station:

- Unroll the cleaning mat on a flat, stable surface.
- Ensure the work area is clean and free of clutter.
- Lay out all cleaning tools and materials within easy reach.

2. Cleaning Your Handgun:

- Confirm that the handgun is unloaded and the magazine is removed.
- Disassemble the handgun according to the manufacturer's instructions.
- Use the appropriate cleaning tools for each part of the handgun.
- Clean the barrel, slide, and other components thoroughly, using cleaning solvents as needed.
- Organize small parts using the designated areas on the cleaning mat to prevent loss.

3. Storing the Cleaning Station:

- After use, clean all tools and the mat if necessary.
- Roll up the cleaning mat and store it in the included bag.
- Store the cleaning station in a dry place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of any unused or expired cleaning solvents according to local hazardous waste disposal guidelines.
- Recycle packaging materials where possible. Follow local recycling regulations for plastic and cardboard.

Contact Information for Further Support

For any inquiries or further support regarding the MASTER CLEANING STATION, please refer to the contact information provided on the product packaging or visit the official Real Avid website.

By following these guidelines, you will ensure a safe and effective cleaning experience with your MASTER CLEANING STATION. Thank you for your attention to safety and responsible firearm maintenance.
