A Cleaning Station to Rule Them All

Upgrade your cleaning experience with Real Avid's Master Cleaning Station for rifles, handguns and shotguns. Designed for comprehensive cleaning of handguns and rifles (.22 - .45 caliber) as well as 20 & 12 ga. shotguns. The Cleaning Station combines a Next-Gen cleaning mat with an intelligently designed cleaning kit filled with an extensive set of cleaning tools. It keeps easy-to-lose gun parts organized while you work. It provides a huge work area for a completely disassembled long gun and rolls up for compact storage in the included bag.

MASTER CLEANING STATION SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Real Avid Master Cleaning Station. This cleaning station is designed to enhance your cleaning experience for rifles, handguns, and shotguns. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the cleaning station in a wellventilated area to avoid inhaling fumes from cleaning solvents.
- Keep the cleaning station out of reach of children and pets when not in use.
- Ensure that all firearms are unloaded and cleared of ammunition before using the cleaning station.
- Regularly inspect cleaning tools for wear or damage before use.
- Store cleaning solvents and chemicals in their original containers, away from heat sources and direct sunlight.
- Dispose of used cleaning materials and solvents according to local regulations to minimize environmental impact.

Specific Safety Precautions for Use

- Wear protective eyewear and gloves when handling cleaning solvents and chemicals to avoid skin and eye irritation.
- Avoid mixing different cleaning products, as this may create hazardous reactions.
- Do not use the cleaning station for any purpose other than cleaning firearms.
- Ensure that the cleaning mat is laid flat and secure before beginning the cleaning process.
- If any cleaning solvent spills occur, clean them immediately to prevent slipping hazards.

Instructions for Installation and Usage

1. Setting Up the Cleaning Station

- Unroll the cleaning mat and lay it on a flat, stable surface.
- Ensure that the mat is free from debris and moisture.

2. Organizing Cleaning Tools

- Remove the cleaning tools from the kit and organize them on the designated areas of the mat.
- Check that all necessary tools are present before starting the cleaning process.

3. Cleaning Firearms

- Ensure that the firearm is unloaded and cleared of ammunition.
- Place the firearm on the cleaning mat.
- Use the appropriate cleaning tools for the specific firearm type (handgun, rifle, or shotgun).
- Follow the manufacturer's instructions for cleaning each firearm type.
- After cleaning, ensure that all parts are reassembled correctly before storing the firearm.

4. PostCleaning Procedures

- Dispose of any used cleaning materials in accordance with local regulations.
- Roll up the cleaning mat and store it in the provided bag for compact storage.

Disposal Instructions

- Dispose of all cleaning solvents and chemicals according to local hazardous waste disposal guidelines.
- Recycle packaging materials where possible.
- Ensure that the cleaning station is completely clean and free of any residues before disposal if you decide to no longer use it.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Master Cleaning Station, please reach out to your local distributor or retailer from whom you purchased the product. They will be able to provide you with the necessary assistance.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using the Real Avid Master Cleaning Station.
