

# PC9 BOLT HANDLE - MIDWEST INDUSTRIES RUGER PC9 BOLT HANDLE BLACK

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

If you're looking for a quick way to enhance the performance of your Ruger® PC Carbine, then Midwest Industries has the perfect answer in the form of its PC9 Bolt Handle. This easy add-on provides a longer, knurled bolt handle that allows for a better grip when charging your Ruger® PC Carbine. Each Midwest Industries PC9 Bolt Handle is machined from 4140 steel and treated with a magnesium-phosphate finish. The handle installs using Ruger's factory bolt handle, and the design is made entirely in the USA. Note: Only compatible with new Ruger® PC9 TakeDown carbine models - 19100, 19101, 19102.

# Safety Instruction Guide for PC9 Bolt Handle

## Introduction

Thank you for choosing the PC9 Bolt Handle by Midwest Industries. This product is designed to enhance the performance of your Ruger® PC Carbine. To ensure safe and effective use, please read this safety instruction guide carefully. It outlines important safety guidelines, installation instructions, and disposal information in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the PC9 Bolt Handle.
- Keep the product out of reach of children and unauthorized users.
- Use the product only as intended and in accordance with the instructions provided.
- Regularly inspect the PC9 Bolt Handle for wear or damage before each use.
- If you notice any defects or abnormalities, discontinue use immediately and consult a qualified gunsmith.
- Follow all local laws and regulations regarding firearm accessories and modifications.

## Specific Safety Precautions for Use

- Ensure that the bolt handle is securely attached before operating the firearm.
- Avoid excessive force when charging the firearm to prevent damage to the bolt handle or the firearm itself.
- Do not modify the PC9 Bolt Handle in any way. Alterations may compromise safety and performance.
- Be cautious of your surroundings when using the firearm, ensuring a clear and safe environment.
- Always wear appropriate eye and ear protection when using the firearm.

## Instructions for Installation and Usage

### Installation Instructions

1. **Gather Necessary Tools:** Ensure you have the required tools to install the PC9 Bolt Handle, including a suitable screwdriver.
2. **Unload the Firearm:** Make sure the Ruger® PC Carbine is completely unloaded.
3. **Remove the Factory Bolt Handle:**
  - Locate the factory bolt handle on your Ruger® PC Carbine.
  - Use the screwdriver to carefully remove the screws securing the factory bolt handle.
4. **Install the PC9 Bolt Handle:**
  - Align the PC9 Bolt Handle with the bolt assembly.
  - Secure the handle in place using the screws removed earlier.
5. **Check Installation:**
  - Ensure that the PC9 Bolt Handle is firmly attached and does not wobble.
  - Test the handle by charging the firearm to confirm smooth operation.

### Usage Instructions

- To charge the firearm, grip the knurled surface of the PC9 Bolt Handle firmly.
- Pull back the handle to engage the bolt and chamber a round.
- Release the handle smoothly to allow it to return to its original position.

### Disposal Instructions

- Dispose of the PC9 Bolt Handle in accordance with local regulations.
- Do not dispose of the product in regular household waste.

- If the product is damaged or no longer in use, consult local guidelines for proper disposal methods.

## Contact Information for Further Support

For any inquiries or concerns regarding the PC9 Bolt Handle, please reach out to the designated EUbased contact point for safety inquiries. Regular updates regarding product safety and recalls can be found on the EU's Safety Gate platform.

Thank you for prioritizing safety and compliance while using the PC9 Bolt Handle. Enjoy enhanced performance with your Ruger® PC Carbine!
