

4000/5000 SERIES TACTICAL MOLLE CARRY CASE BERRY COMPLIANT - TYR TACTICAL 4000/5000 SERIES TACTICAL MOLLE CASE, BLACK

[Shooting Accessories](#) > [Windmeters & Flags](#) > [Windmeters](#)

A Solid Carrying Case that Fits Most Kestrel Units

If you're out in the field with your Kestrel, it's important to keep it secured and protected until you need it for that perfect, first-round hit. To provide that protection, the TYR Tactical 4000/5000 Series Tactical MOLLE Carry Case is a must-have option for your range or field kit. Each TYR Tactical 4000/5000 Series Tactical MOLLE Carry Case is constructed from 500-Denier cordura nylon combined with 200-Denier Kevlar, ensuring that it'll stand up to tearing and abrasion. This pack is designed specifically for use with Kestrel meters, coming equipped with a secured closure that wraps around the globe stalk found on the Kestrel Heat Stress Tracker. A number of colors are available for the unit, including black, coyote tan, multicam and olive drab.

Safety Instruction Guide for the TYR Tactical 4000/5000 Series Tactical MOLLE Carry Case

Introduction

Thank you for choosing the TYR Tactical 4000/5000 Series Tactical MOLLE Carry Case. This guide provides essential safety instructions and guidelines to ensure the safe use and protection of your Kestrel meters while utilizing this product. Please read this manual carefully before use.

General Safety Guidelines

- **Product Safety:** This product is designed to ensure safe use in various environments. Always check the carry case for any signs of wear or damage before use.
- **Enhanced Recalls:** Stay informed about any product recalls by checking the EU Safety Gate platform regularly.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, please refer to the manufacturer's contact information provided with the product.
- **Rapid Alerts:** Be aware of any updates regarding unsafe products through the Safety Gate system.

Specific Safety Precautions for Use

- **Avoid Overloading:** Ensure that the carry case is not overloaded with equipment beyond its designed capacity.
- **Inspect Regularly:** Check the case for any damages, tears, or signs of wear before each use.
- **Secure Closure:** Always ensure the closure is secured properly to prevent accidental opening during transport.
- **Keep Away from Heat Sources:** Avoid exposing the carry case to high temperatures or open flames, as this may damage the materials.
- **Use for Intended Purpose:** This carry case is specifically designed for Kestrel meters. Do not use it for other purposes.

Instructions for Installation and Usage

- **Installation:**
 1. Open the carry case by unfastening the secured closure.
 2. Place your Kestrel meter inside the case, ensuring it is positioned correctly.
 3. Secure the closure around the globe stalk of the Kestrel Heat Stress Tracker.
- **Usage:**
 1. When transporting, hold the carry case securely to prevent dropping.
 2. Avoid exposing the carry case to harsh weather conditions for extended periods.
 3. When not in use, store the carry case in a cool, dry place.

Disposal Instructions

- Dispose of the carry case responsibly. Check local regulations for proper disposal methods.
- If the carry case is damaged beyond use, consider recycling the materials if possible.

Contact Information for Further Support

For any questions or concerns regarding the TYR Tactical 4000/5000 Series Tactical MOLLE Carry Case, please refer to the contact details provided with your product packaging.

Thank you for your attention to these safety instructions. Your safety is our priority.
