# Safety Instruction Guide for .450 Bushmaster Magazine

## Introduction

Thank you for choosing the .450 Bushmaster Magazine from D&H Industries. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your magazine. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the magazine is compatible with your AR15 rifle chambered in .450 Bushmaster.
- Always handle the magazine and firearm safely and responsibly.
- Store the magazine in a secure location, away from children and unauthorized users.
- Regularly inspect the magazine for any signs of damage or wear. Do not use a damaged magazine.
- Follow all local laws and regulations regarding the possession and use of firearms and ammunition.

## Specific Safety Precautions for Use

### • Loading and Unloading:

- Always ensure the firearm is pointed in a safe direction when loading or unloading the magazine.
- Do not exceed the magazine's capacity of 4 rounds.
- Use only .450 Bushmaster cartridges in this magazine.

### • Handling:

- Treat every magazine as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Avoid placing your hand or fingers near the magazine's feed lips when loading or unloading.

### • Cleaning and Maintenance:

- Clean the magazine regularly to ensure proper function.
- Use a soft cloth and appropriate cleaning solutions. Avoid harsh chemicals that could damage the magazine's finish.
- Do not attempt to modify the magazine or its components.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before attaching the magazine.
- Align the magazine with the magazine well of the AR15 rifle.
- Push the magazine firmly into place until you hear an audible click, indicating it is securely locked.

### 2. Usage:

- To load the magazine, press down on the follower with your thumb and insert the .450 Bushmaster cartridges one at a time.
- Ensure that the cartridges are seated correctly and that the magazine is not overfilled.
- To remove the magazine, press the magazine release button on the firearm and pull the magazine out.

## Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged beyond repair, it should be recycled or disposed of as metal waste.
- Do not throw the magazine in regular household waste.

## Contact Information for Further Support

For any questions or concerns regarding the .450 Bushmaster Magazine, please contact the manufacturer or refer to the product documentation. Ensure that you have the necessary information at hand for efficient assistance.

This guide is designed to help you use your .450 Bushmaster Magazine safely and responsibly. Your safety is our priority, and we appreciate your attention to these guidelines.
