

TAC TRIGGER FOR GLOCK® GEN 5 - OVERWATCH PRECISION TACTICAL TRIGGER, BLACK/BLACK

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

A Cutting-Edge Replacement for Your Gen 5 OEM Trigger

Following the rollout of the improved Glock Gen 5 series of handguns, Overwatch Precision developed an all-new trigger enhancement in the form of its Gen 5 TAC Trigger. The Overwatch Precision Gen 5 TAC Trigger provides Glock owners with a flat-faced, drop-in replacement for their OEM triggers. The trigger shoes and safety tabs are all machined from 7075-T6 aluminum alloy and are fitted to an OEM trigger bar using 316 stainless-steel coil-spring pins. The design of the Overwatch Precision Gen 5 TAC Trigger ensures trigger-finger placement in the same spot every time, and the design of the new system reduces pre-travel by as much as 20 percent and also reduces overtravel distance. The result is a clean, crisp break that enhances your shooting.

Attributes

- Name: [OVERWATCH PRECISION TACTICAL TRIGGER, BLACK/BLACK](#)
- Manufacturer: [OVERWATCH PRECISION](#)
- Product no.: 100034435
- Mfr. No.: 25122
- Finish: Black
- Model: Gen 5
- Style: Flat
- Weapon type: Glock
- Delivery weight: 0.045kg
- Shipping height: 38mm
- Shipping width: 76mm
- Shipping length: 114mm
- UPC: 815854023156

Item details

TAC Trigger for Glock® Gen 5 Safety Instruction Guide

Introduction

Thank you for choosing the TAC Trigger for Glock® Gen 5 by Overwatch Precision. This document provides essential safety instructions and guidelines to ensure the safe and effective use of your new trigger enhancement. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the TAC Trigger is only installed on compatible Glock® Gen 5 handguns.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store your firearm and trigger in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your TAC Trigger for wear or damage before each use.
- Follow all local laws and regulations regarding firearm modifications and usage.

Specific Safety Precautions for Use

- Do not attempt to modify the TAC Trigger beyond its intended design.
- Ensure that the firearm is unloaded before installation of the TAC Trigger.
- Use only OEM parts and recommended tools during installation to prevent safety hazards.
- Be aware of the trigger's flatfaced design; ensure your trigger finger is placed properly to avoid accidental discharge.
- If you experience any malfunctions or irregularities with the trigger, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have the following tools ready: a punch tool, a small hammer, and a clean workspace.
- Make sure your Glock® Gen 5 is unloaded and pointed in a safe direction.

2. Installation:

- Remove the slide from the frame of your Glock® Gen 5.
- Using the punch tool, carefully remove the OEM trigger from the trigger bar.
- Align the TAC Trigger with the trigger bar and press it into place securely.
- Insert the 316 stainlesssteel coilspring pins to secure the TAC Trigger to the trigger bar.
- Reassemble your Glock® Gen 5 by reattaching the slide.

3. Testing:

- After installation, test the trigger in a safe environment to ensure proper functionality.
- Check for a clean break and proper reset of the trigger.

4. Usage:

- Always maintain proper shooting posture and finger placement.
- Practice regularly to become familiar with the new trigger feel.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the TAC Trigger or any components become damaged or unusable, consult local guidelines for the proper disposal of metal and electronic materials.

Contact Information for Further Support

For any inquiries or support regarding the TAC Trigger, please refer to the contact information provided with your purchase.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your TAC Trigger for Glock® Gen 5. Thank you for your attention to safety and responsible firearm ownership.
