

SCAR MREX MARK II M-LOK HANDGUARDS - KINETIC DEVELOPMENT GROUP MREX MARK II HANDGUARD M-LOK 6.5" FOR FN SCAR FDE

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

An Easy, Add-On Enhancement for Your FN SCAR MK17

SCAR MREX MARK II M-LOK HANDGUARDS Though the platform has been popularized through its use with special-operations groups, the FN SCAR 17 hasn't received the accessory-attachment support that other military rifle platforms have. However, KDG is changing that with the SCAR MREX MKII Rail System. Based on the company's original MREX rail system, this attachment system provides a bunch of M-LOK attachment slots for bolting on your must-have accessories. Each KDG SCAR MREX MKII Rail System can be had in three different lengths: 2.2 inches and 6.5 inches. Each system is machined from 6061-T6 aluminum and features M-LOK modular slots along the entire length of the extension. A Drop M-LOK mounting point at the 12 o'clock position allows shooters to add on lights and lasers. The MKII design also incorporates the step-down design in front of the folding sight that shooters have asked for, but this design does not include the Picatinny rail forward of the front sight. NOTE: DOES NOT INCLUDE PICATINNY RAIL FORWARD OF THE FRONT SIGHT. Features Material: 6061-T6 Aluminum Black Anodize or FDE Cerakote Drop M-Lok 12 o'clock position for mounting of laser and light devices 100% Made in the USA Maintains zero for laser/light devices

SCAR MREX MARK II MLOK HANDGUARDS Safety Instruction Guide

Introduction

Thank you for choosing the SCAR MREX MARK II MLOK HANDGUARDS. This guide provides essential safety instructions and information to ensure the safe use and installation of this product. Please read this guide carefully before using the handguards.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Inspect the product regularly for any signs of damage or wear. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about any product recalls or safety alerts via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) when handling firearms and accessories.
- Ensure that the firearm is unloaded before installing or removing the handguards.
- Use caution when attaching or detaching accessories to prevent injury.
- Do not exceed the manufacturer's specified weight limits for mounted accessories.
- Avoid using the product in extreme weather conditions that may affect performance or safety.
- Regularly check that all screws and attachments are secure before use.

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools and accessories for installation.

2. Removing Old Handguards (if applicable):

- Follow the manufacturer's instructions to remove the existing handguards from the firearm.

3. Installing SCAR MREX MARK II MLOK HANDGUARDS:

- Align the handguard with the mounting points on the firearm.
- Securely attach the handguard using the provided screws and tools.
- Confirm that the handguard is firmly in place and does not move.

4. Attaching Accessories:

- Use the MLOK slots to attach desired accessories.
- Ensure all accessories are securely fastened and do not obstruct the firearm's operation.

Usage

- Regularly check the handguards and attached accessories for stability and security during use.

- Do not modify the handguards or accessories in any way that may compromise safety.
- Always follow safe handling practices when using the firearm equipped with the handguards.

Disposal Instructions

- Dispose of packaging materials in accordance with local regulations.
- When the product reaches the end of its life, dispose of it in an environmentally friendly manner. Check local guidelines for proper disposal of aluminum and other materials.

Contact Information for Further Support

For any questions or concerns regarding the SCAR MREX MARK II MLOK HANDGUARDS, please refer to the manufacturer's website or customer service resources for assistance.

Thank you for your attention to these safety instructions. Your safety and the safety of others are paramount. Enjoy your experience with the SCAR MREX MARK II MLOK HANDGUARDS.
