

SCAR MREX MARK II M-LOK HANDGUARDS - KINETIC DEVELOPMENT GROUP MREX MARK II HANDGUARD M-LOK 2.2" FOR FN SCAR FDE

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

An Easy, Add-On Enhancement for Your FN SCAR MK17

SCAR MREX MARK II M-LOK HANDGUARDS Though the platform has been popularized through its use with special-operations groups, the FN SCAR 17 hasn't received the accessory-attachment support that other military rifle platforms have. However, KDG is changing that with the SCAR MREX MKII Rail System. Based on the company's original MREX rail system, this attachment system provides a bunch of M-LOK attachment slots for bolting on your must-have accessories. Each KDG SCAR MREX MKII Rail System can be had in three different lengths: 2.2 inches and 6.5 inches. Each system is machined from 6061-T6 aluminum and features M-LOK modular slots along the entire length of the extension. A Drop M-LOK mounting point at the 12 o'clock position allows shooters to add on lights and lasers. The MKII design also incorporates the step-down design in front of the folding sight that shooters have asked for, but this design does not include the Picatinny rail forward of the front sight. NOTE: DOES NOT INCLUDE PICATINNY RAIL FORWARD OF THE FRONT SIGHT. Features Material: 6061-T6 Aluminum Black Anodize or FDE Cerakote Drop M-Lok 12 o'clock position for mounting of laser and light devices 100% Made in the USA Maintains zero for laser/light devices

SCAR MREX MARK II MLOK HANDGUARDS Safety Instructions

Introduction

Thank you for choosing the SCAR MREX MARK II MLOK HANDGUARDS from Kinetic Development Group. This guide provides important safety information and instructions to ensure the safe use and maintenance of your handguards. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that the product is suitable for your firearm model, specifically the FN SCAR.
- Always inspect the handguards for any signs of damage or wear before use.
- Use the handguards only for their intended purpose as specified in this guide.
- Keep the handguards out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- When mounting accessories, ensure they are compatible with the MLOK system to prevent accidents.
- Do not exceed the manufacturer's recommended weight limit for mounted accessories.
- Always ensure that the handguards are securely attached to the firearm before use.
- Avoid using the handguards in extreme conditions that could compromise their integrity.
- Use proper eye and ear protection when operating the firearm.

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure your firearm is unloaded and safe to handle.
- Gather necessary tools, including an Allen wrench suitable for MLOK screws.

2. Removing Existing Handguards:

- Follow the manufacturer's instructions for removing the existing handguards from your FN SCAR.

3. Installing SCAR MREX MARK II MLOK HANDGUARDS:

- Align the handguards with the mounting points on your firearm.
- Secure the handguards using the MLOK screws provided.
- Tighten screws evenly to ensure a secure fit, but do not overtighten to avoid damage.

4. Mounting Accessories:

- Choose the desired MLOK slots for your accessories.
- Insert the MLOK accessory into the slot and secure it with the appropriate screws.
- Ensure all accessories are tightly secured before use.

Usage

- Always check that the handguards are firmly attached before each use.

- Regularly inspect the handguards and mounted accessories for any signs of wear or damage.
- Clean the handguards with a soft cloth and mild detergent as needed to maintain their appearance and functionality.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the handguards in regular household waste.
- Contact your local waste management authority for information on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's customer support resources. Ensure that you have the product information readily available for reference.

Thank you for your attention to these safety instructions. Enjoy your SCAR MREX MARK II MLOK HANDGUARDS responsibly and safely.
