PACESETTER RIFLE THREEDIE SETS LEE PRECISION 6MM CREEDMOOR PACESETTER 3DIE SET Safety Instructions

Introduction

Thank you for choosing the PACESETTER RIFLE THREEDIE SET by LEE PRECISION. This product is designed for reloading 6mm Creedmoor cartridges and includes all necessary components to ensure a safe and efficient reloading experience. Please read and follow these safety instructions carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that you are familiar with the operation of your reloading press before using this die set.
- Always use appropriate personal protective equipment (PPE), such as safety glasses and gloves, while reloading.
- Keep the workspace clean and organized to avoid accidents.
- Store all components in a safe, dry place away from children and pets.
- Regularly check for wear or damage to all components before use.
- Follow all local laws and regulations regarding ammunition reloading.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper handling of reloading dies can lead to accidents, including misfires or injuries.
 - Use of incorrect components can result in unsafe ammunition.
- **Avoiding Hazards:**
 - Always ensure that the correct die is used for the specific cartridge being loaded.
 - Do not exceed recommended powder charges as specified in the load data.
 - Never leave reloading equipment unattended while in use.
 - Be aware of your surroundings and ensure that no one is in the vicinity of the reloading area.
- **Age and Audience Warnings:**
 - This product is intended for use by adults only. Keep out of reach of children.

Instructions for Installation and Usage

- 1. Installation:**
 - Ensure your reloading press is securely mounted and stable.
 - Insert the Full Length Sizing Die into the press, following the manufacturer's instructions for your specific press model.
 - Attach the Bullet Seating Die and Factory Crimp Die in the same manner.
 - Use the Universal Shell Holder to securely hold the cartridge case during the reloading process.
- 2. Usage:**
 - Refer to the included load data for specific instructions on powder charges and bullet types.
 - Begin by resizing the cartridge cases using the Full Length Sizing Die.
 - Next, seat the bullets using the Bullet Seating Die, ensuring proper depth as per load specifications.
 - Finally, apply a factory crimp using the Factory Crimp Die to ensure the bullet is securely held in place.
 - After reloading, inspect each cartridge for defects before use.

Disposal Instructions

- Dispose of any unused components, including spent primers and powder, in accordance with local hazardous waste regulations.
- Do not dispose of ammunition components in regular household waste.
- Always check with local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of the PACESETTER RIFLE THREEDIE SET, please refer to the manufacturer's contact information provided in the product documentation or visit the manufacturer's website for additional resources.

By following these safety instructions, you can ensure a safe and successful reloading experience with your PACESETTER RIFLE THREEDIE SET. Always prioritize safety and compliance with regulations to protect yourself and others. Thank you for your attention to these important guidelines.
