PACESETTER RIFLE THREEEDIE SETS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the PACESETTER RIFLE THREEEDIE SET by LEE PRECISION. This guide provides essential safety instructions to ensure the safe and effective use of your reloading equipment. Please read this document carefully before using the product.

General Safety Guidelines

- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Keep your workspace clean and organized to prevent accidents.
- Ensure that all tools and equipment are in good working condition before use.
- Store all reloading materials and equipment in a safe, dry place away from children and pets.
- Follow all local laws and regulations regarding ammunition reloading.
- In case of an emergency, seek immediate assistance and report any accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Hazard Identification:** Risk of injury from improper handling of reloading dies and components. Potential for explosion if incorrect powders or primers are used. Risk of contamination from using dirty or damaged tools.
- **Avoiding Hazards:** Always doublecheck the specifications of the components you are using. Do not exceed recommended loads as indicated in the load data. Ensure the reloading press is securely mounted and stable during operation. Never leave the reloading area unattended while equipment is in use.
- **Age Specific Warnings:** This product is intended for use by adults only. Keep out of reach of children. Ensure that any individuals assisting with reloading are knowledgeable about safe practices.

Instructions for Installation and Usage

• Installation:

1. Securely attach the PACESETTER RIFLE THREEEDIE SET to a compatible 7/8"14 reloading press.
2. Refer to the included instructions for specific installation steps for each die: Full Length Sizing Die, Bullet Seating Die, and Factory Crimp Die.

• Usage:

1. **Full Length Sizing Die:** Adjust the die to ensure proper sizing of the cartridge case. Use a shell holder to securely hold the case during sizing.
 2. **Bullet Seating Die:** Set the die to achieve the desired bullet seating depth. Always check the overall length of the cartridge after seating.
 3. **Factory Crimp Die:** Adjust the die to apply a proper crimp to the cartridge. Ensure that the crimp does not interfere with bullet seating.
- **Loading and Dipping:** Use the included Powder Dipper for accurate powder measurement. Always verify powder weight with a scale for precision.
 - **Final Checks:** Inspect each cartridge for proper assembly before use. Store completed ammunition in a safe and organized manner.

Disposal Instructions

- Dispose of any unused or expired reloading materials according to local regulations.
- Do not dispose of ammunition in regular trash; contact local authorities for proper disposal methods.
- Recycle any metal components where possible.

Contact Information for Further Support

For additional assistance or inquiries regarding safety or product usage, please refer to the manufacturer's contact information included in your product packaging.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable reloading experience with the PACESETTER RIFLE THREEDIE SET. Always prioritize safety and adhere to best practices while reloading. Thank you for choosing LEE PRECISION.
