

LEE COLLET 2-DIE NECK SIZER SETS - LEE PRECISION 6MM CREEDMOOR COLLET 2-DIE NECK SIZER SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

There is no loading system that will load more accurate ammunition than Lee Collet Dies. A collet squeezes the case neck against a precision mandrel for a perfect fit with minimum run-out. No lube case is needed. Cases last ten times longer, so the savings on only 35 cases will pay for the dies. Maximum accuracy is usually achieved by seating the bullet out far enough to touch or almost touch the rifling. This provides the shot start pressure normally supplied by the crimp. That's why a dead length bullet seater is included to complete the most accurate reloading system ever made. These dies size only the neck to preserve the perfect fit of fire forming. Only reload cases that have been fired in your gun. Not recommended for autoloaders, slide or lever action guns.

Attributes

- Name: [LEE PRECISION 6MM CREEDMOOR COLLET 2-DIE NECK SIZER SET](#)
- Manufacturer: [LEE PRECISION](#)
- Product no.: 100034626

Safety Instruction Guide for LEE COLLET 2DIE NECK SIZER SET

Introduction

Thank you for choosing the LEE COLLET 2DIE NECK SIZER SET for your reloading needs. This guide provides essential safety information and instructions to ensure safe and effective use of the product. Please read this guide carefully before use to understand the safety precautions and operational procedures.

General Safety Guidelines

- Ensure that you are familiar with the operation of reloading equipment before using this product.
- Always follow the manufacturer's instructions for safe handling and operation.
- Use only the recommended components (cases, bullets, and powders) for this reloading system.
- Store all reloading components and tools in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your reloading tools for any signs of wear or damage.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- This product is designed for use with 6mm Creedmoor cartridges only. Do not use with other calibers.
- Only reload cases that have been fired in your gun. Do not use cases from other firearms.
- Avoid using this product with autoloaders, slide, or lever action guns to prevent malfunctions.
- Ensure that the workspace is clean, organized, and free from distractions while reloading.
- Wear appropriate safety gear, including safety glasses, to protect against potential hazards.
- Do not exceed recommended loads as specified in reputable reloading manuals.
- Keep your hands and face away from the press and dies during operation to avoid injury.

Instructions for Installation and Usage

1. Setup:

- Place the reloading press on a stable, secure surface.
- Ensure that the press is bolted down or securely clamped to prevent movement during operation.

2. Installing the Dies:

- Remove the die from the packaging and inspect for any damage.
- Follow the manufacturer's instructions to install the collet die in the press.
- Adjust the die to the desired height for proper neck sizing.

3. Reloading Process:

- Begin by cleaning the fired cases to remove any debris or residue.
- Insert the case into the shell holder and raise the ram to size the neck.
- Use the dead length bullet seater to seat the bullet to the desired depth.
- Inspect the completed cartridge for any defects before use.

4. PostUse Maintenance:

- Clean the dies and press after each use to prevent buildup of residue.
- Store the dies in a dry, cool place to prevent corrosion.

Disposal Instructions

- Dispose of any damaged or unusable reloading components in accordance with local regulations.
- Recycle packaging materials where possible to minimize environmental impact.
- Do not dispose of reloading materials in regular household waste.

Contact Information for Further Support

For any questions or concerns related to the LEE COLLET 2DIE NECK SIZER SET, please refer to the manufacturer's website or customer service for assistance. Ensure you have the product details and any relevant information ready when seeking support.

Thank you for following these safety guidelines. Your adherence to these instructions will help ensure a safe and enjoyable reloading experience.
